The Decline and Fall of Communist China

I will exalt you, LORD, for you lifted me out of the depths and did not let my enemies gloat over me. LORD my God, I called to you for help, and you healed me. You, LORD, brought me up from the realm of the dead; you spared me from going down to the pit. Sing the praises of the LORD, you his faithful people; praise his holy name. For his anger lasts only a moment, but his favor lasts a lifetime; weeping may stay for the night, but rejoicing comes in the morning.

Psalm 30:1-5

If you can feel God, and live and eat God's love, then regardless of hardship, you are the happiest people under the sun. Whether or not our Church has many physical possessions does not measure my value. If we lost everything we own I would not be sad or shrink from this mission. **SMM, Happy Unification Church Members, May 22, 1977**

Hello,

At the start of the service, Gregg Noll described more details about the providence in Taiwan. The lease for the new property will begin on June 1. It has ample room for church gatherings and workshops. The 2nd King injured his leg, so he felt led to glorify Father's life and work through several powerful paintings. Gregg showed several of the artworks which are [posted on his X channel](#).

Then Regis Hanna, who is serving as the Chung Pyung pastor in Tennessee, shared an in-depth look into the content of the 2nd King's May 4 sermon.

We are in a movement to build a world of Godism. Many decades ago the Unification Movement in the US worked with Dr. Fred Swartz, founder of the Christian Anti-Communist Crusade. Dr. Schwartz explained the Communist formula of "External Encirclement" and "Internal Demoralization" for destroying the U.S. by leading to Progressive Surrender.

Just a few years ago, there were riots in many cities across the U.S. The Left's agenda to divide America by race was advancing. President Joe Biden's imposition of racial quotas, COVID mandates and the transgender agenda threatened to solidify an anti-God tyranny in our nation.

July 13 was 115 days before the 2024 election. The miracle of that day, when President Trump's life was delivered from an assassin's bullet, was the pivotal moment for the MAGA movement.

We know from the Divine Principle that the unity of the prophet and the king is essential to the success of God's providence. That is why Hyung Jin Nim's giving an anointing prayer to President Trump during his rap performance at Mar a Lago in December 2024 was so significant.

In a sermon given by the 2nd King in February 3, 2020 he explained that *in 2009 and 2010 True Father took his family and church members out fishing in the 120 degree weather on Lake Mead. He spent many hours there fishing and praying. He spoke about the need for a "Casino King" to rise as President in USA.*

Many globalists view China's dictatorship and government-controlled economy as embodying the future of the world, but there is much internal conflict in China. There is deflation, where prices are dropping, as people are not buying. He shared a statement by Gordon Chang about the declining Chinese economy. Xi is not in command of the military as much as people think.

China demanded Taiwan be put under the control of mainland China in order to start talks, but Trump said no. China has a command-control economy which is slow to change. A decentralized free market can adapt and innovate much more quickly.

Trump cut off the fentanyl income to China via Mexico . The tariff war against China is crashing its factories. Young people hate the existing system which is to work 6 days 9am-9pm. Their "bai lan" slogan (Chinese: 摆烂; pinyin: bǎi làn; lit. 'let it rot'), which means "to actively embrace a deteriorating situation, rather than trying to turn it around."

On April 17, Xi Jinping traveled to neighboring countries. Singapore, Vietnam and Cambodia, but they did not agree to align with China.

China has been building artificial islands in the South China Sea (the Spratley Islands) so they can control a major trade route. Approximately one-third of the world's maritime trade, valued at around \$3.36 trillion annually, passes through the South China Sea. This makes it a critical global trade route, vital for nations like China, Japan, and South Korea.

Ho Ching, the former Singapore Prime Minister's wife, reposted an April 18 article likening Xi Jinping to a "mafia boss." It showed that many in South Asia do not want to follow China's leadership. Vietnam recently bought U.S. fighter jets after China canceled its order. Now no one is talking about dumping the

U.S. dollar. The so-called BRICS nations are also silent about developing a new currency.

Lai Ching-te, the president of Taiwan [labeled China as a foreign hostile force and warned about infiltration](#). China bribed key officials throughout the U.S. and sent thousands of Chinese agent prostitutes to Japan, Taiwan, etc.

MKR #19- The DARK SIDE of MEDICINE

Regis spoke about the Recall efforts by the Democratic Progressive **Party** (DPP) party in Taiwan. 31 out of 37 recall campaigns by the DPP party have gathered enough signatures to trigger a recall vote, whereas 0 out of 15 recall efforts by Kuomintang (KMT) opposition party, which seeks closer ties to Communist China, have succeeded so far.

On April 15 in Chengdu a brave [Chinese man unfurled a banner denouncing the CCP](#). Regis also spoke about the massacre of 20,000 in Tianamen Square on April 15, 1989.

Are these events aligned with another important date? On April 17, 1935, on Mt. Myo Du – after 5 of his brothers and sisters died in one year and Father was praying all night long, Jesus appeared to him. Father has told us that April 17 was the date of Jesus' resurrection.

MULTICULTURALISM and ISLAM

"Without the heart of gratitude, we cannot endure forever. Without that heart of gratitude, God cannot be present with us. So, as we endure, we have a goal before us and we have to go through a certain time period and process in order to accomplish that goal. When we continue to endure day and after day, always keeping the goal in mind, in the end we can receive the fruit of victory."

May God bless you and your families!

Sincerely,

Richard
