# God's Lineage on Earth!

Heavenly Father

Heir and representative of God  
1.15.2009, 1.31.2009

Heir and representative of True Father and God 4.16.2008, 6.5.2010

Third generation, next heir and representative 4.18.2008

"There will always be a physical representative of the True Father here on earth" 6.5.1983

First of all it's important to understand Father's mission and what he came to restore and establish. Father came as the Messiah to restore the failure of Adam. Father explained what Adam was meant to become:

"Adam, created as God's body, would become the true ancestor of humankind. Adam, in other words, would be God incarnate. For the incorporeal God to have dominion over the world of physical beings, to be able to see and hear in that tangible world, He needs a tangible body. The one created to be God incarnate was Adam. Then who is Eve? Eve was Adam's wife, a wife with physical form. If Adam were God incarnate, Eve would be God's wife incarnate. Saying that the holy God would take a wife may sound shocking, but Adam was created as God's body and he was to take Eve as his wife. Eve, then, would have been God's wife incarnate."

Original CSG pages 57-58

So, Adam was meant to be God's representative body on earth

This speech was given on January 15th and 31st 2009

From the third paragraph:

"God is and always been the King of Kings, (Heavenly Father) even before He initiated the Creation. The heavenly way, however, dictates that after completing all aspects of the Creation, God must manifest substantially as the King of Kings (True Father) who reigns over the world of physical phenomena, the sphere of the objects of God's love. That is why, motivated by true love God sought and found the True Parent (singular) of the physical world, who was to become His representative and heir. (True Father)"

And True Father made Hyung Jin Nim his heir and representative. So, Hyung Jin Nim is the heir and representative of True Father and Heavenly Father in the physical world!

True Father came as the new Adam and as God's representative on earth, and to establish God's lineage on earth!

Father explained that there will always be his representative on earth which means there will always be a representative of God on earth!

Father said:

"There will always be a physical representative of the True Father here on earth, from one generation to another; there will be that axis on which the earth will turn. Therefore, all of you here on earth and all the people in the generations to come will be centered upon the same axis."

Parents, Children and the World Centered Upon Oneself

"After that registration is done, True Father will appoint his successor. That successor must be known to all the Unification Church, all the blessed couples and the True Parents' family. They must all unanimously accept him. Once that successor is determined, the law or constitution of the Heavenly Kingdom shall be laid down to guide all activities. The law will guide heavenly citizens here on earth and into the Kingdom of Heaven in heaven."

The person Father chose to be his heir and representative is Hyung Jin Nim:

"Today, at this time, there must only be one line of authority. The center, centered on Korea or on the world, over the entire Unification Church will stretch out and become larger. From now, I can leave someone in charge of my work on my behalf. Currently, there is no one among our church members who surpasses HYUNG JIN in his standard of faith or in any other way. DO YOU UNDERSTAND? I AM APPOINTING HIM."

April 16, 2008; Korea

Ever since Father made that statement he always saw Hyung Jin Nim as his heir and representative, this can be seen in Father's prayer when he was made the FFWPU international president:

"Father, we pray deeply that this son and this daughter can protect the whole world, giving new birth, succeeding the True Parents for total liberation, and being loyal and good children. We deeply pray, Father, that Hyung-Jin Moon and Yeon-Ah Lee become a united couple and the successors of the True Parenthood, through which You can feel the greatest happiness. You couldn't bless your fallen children in the Garden of Eden. We pray and wish that this couple may connect the current epoch with the time of the Heavenly Ideal World, where You are liberated totally and solely You are reigning. True Parents do not have much longer to live, and they know how difficult it is to show to this couple the authority as the successors of True Parents. We pray sincerely that this family of Hyung-Jin can stay united with You unchangeably, from the time of childhood until after millions and millions of generations, and that they inherit the victorious Sovereignty of God's Ideal World. Shin-Joon belongs to the third generation. May these three generations be united as one!"

4.18.2008.

Father even blessed Shin-joon, Hyung Jin Nim's son who will be Father's heir and successor after Hyung Jin Nim, as Father said there will always be a representative of True Father on earth

On 6.5.2010 Father made the formal declaration that Hyung Jin Nim is his heir and representative, but as shown in Father's mind once Father decided on Hyung Jin Nim on April 16, 2008 he always was his heir and representative!

"God is the one King of Kings. There is only one set of True Parents. All families are the people who share a single lineage, and are the children of one heavenly kingdom. Moreover, the command center of cosmic peace and unity is the absolute and unique command center. Its representative and heir is HYUNG JIN NIM. Anybody else [who claims such a position] would be a heretic and one who brings things to destruction. The above content is True Parents' proclamation."

True Father warned Hak Ja Han that she might be replaced!

The mother is not primarily essential for restoration, for ANY NUMBER OF THEM CAN BE ESTABLISHED. If Adam had not fallen, EVE COULD HAVE BEEN RE-CREATED many times over." *Original CSG page 1595*
