DEFENDING America, DEFENDING the World!

Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me; your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies; you anoint my head with oil; my cup overflows. Surely goodness and mercy shall follow me all the days of my life, and I shall dwell in the house of the Lord forever. **Psalm 23:4-6**

God has worked until now to fulfill His will by saving humanity. His will is to establish His kingdom... Then who are the ones qualified to become the citizens of His Kingdom that is to be established on earth? It is all of you. You are the center that can build the heavenly nation.

SMM, The Life of an Owner of Cheon Il Guk, 1976

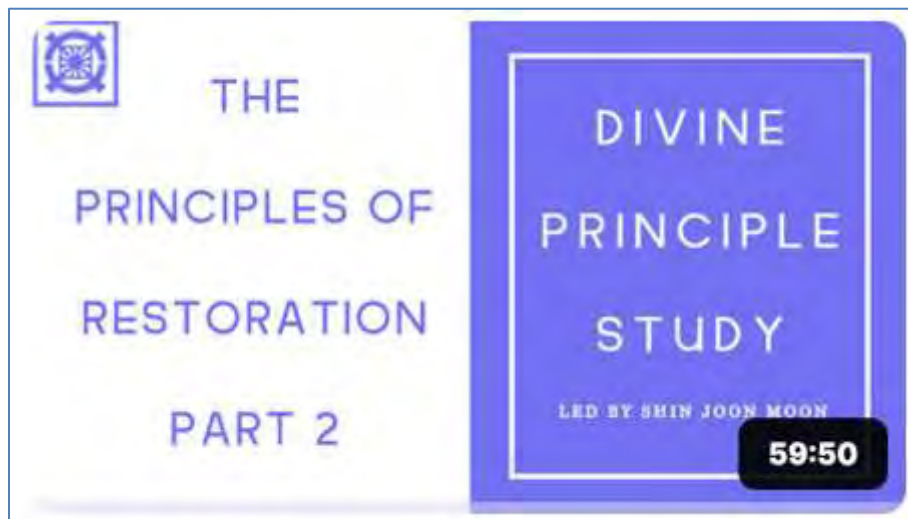

Hello,

Newfoundland Sanctuary pastor Kyle Toffey started his sermon by commenting about the No Kings protest last Saturday in Milford, which had 600 "no borders" protesters, but there were 1,600 America First patriots at the Rod of Iron Freedom Festival last weekend!

He then showed a highlights video of the festival, including when Kook Jin Nim introduced **Gen. Michael Flynn**. **Gordon Chang** spoke about China's "People's War" against the U.S. Dr. Sean Lin also spoke about China's "unrestricted war" against the U.S. and biowarfare. **Joshua Philipp**, host of the Crossroads program on Epoch Times TV stated there is "no right to life, to belief, to property without the right to self-defense!"

Jake Lang spoke about the 8 year battle to certify the Mexican drug cartels as terrorist organizations, which President Trump has done. It is already saving lives, both in the U.S. and in Mexico. **Skylar Duensing** accepted the Champion of Freedom award on behalf of his friend, Charlie Kirk, and Turning Point USA.

Dr. Val Finnell, PA Director of Gunowners of America, spoke about GOA's strong opposition to watering down the 2nd Amendment. In last year's election, GOA mobilized gunowners in the battleground states to vote. Regis Hanna gave a moving introduction to Hyung Jin Nim's video message from Taiwan. **Scott Pressler** spoke about the need to mobilize voters in the coming elections. As a young conservative voter he remembers asking himself "what can I do?"

Stephen Willeford, the "hero of Sutherland Springs," who stopped a mass shooter at a local church in his community, explained that this is not just a political fight, it is a spiritual battle requiring real faith. On

Sunday, the panel of j6 patriots who had been arrested, prosecuted and imprisoned by the US Department of Justice spoke about their experiences of political prosecutions.

Kyle stated, "We are here to do the will of God." True Parents brought us into the lineage of God and now True Father's heir, the 2nd King, is following in his father's path. God is counting on us to carry on the Providence of Restoration. Father always said there will always be a central point of leadership.

That is why the 2nd King stood up bravely to defend America's freedoms when it was under attack during the last decade, just like his Father did in the 1970s and 1980s when he took the controversial step of supporting President Richard Nixon and investing vast resources to educate America about Communism.

Jesus said: "Very truly I tell you, the Son can do nothing by himself; he can do only what he sees his Father doing, because whatever the Father does the Son also does. For the Father loves the Son and shows him all he does. Yes, and he will show him even greater works than these, so that you will be amazed. John 5:19-20

Kyle then read from the *Christianity in Crisis* speech Father gave in October 1, 1973: "I know that God sent me here to America. I did not come here for the luxurious life in America. Not at all! I came to America not for my own purposes, but because God sent me. For 6,000 years God has been working to build this nation. The future of the entire world hinges on America. God has a very great stake in America. Somebody must come to America and stop God from leaving."

My followers in Korea bade me farewell in tears. I know there are still many things to do in Korea. But working with only Korea would delay world salvation. America must be God's champion. I know clearly that the will of God is centered upon America. I came from Korea, I gave up my surroundings, just as many people have in the history of God's providence. I did not come to this country to make money. When I came to America, I committed my fortune, my family, and my entire life to America. I came to a new country where I can serve the will of God. Kyle finished by thanking the many brothers and sisters who volunteered to prepare the church for the festival. He was amazed to see Don fixing things at the church that Kyle didn't know were broken! He also thanked Gary, Karin Gaigg, Denton Smith driving around with the Bobcat, his wife Genn cleaning the church's walls with the power wash.

Lowell Ellanson praised George Kise for his planning work for the vendors. They expanded that area by using the "bush hog" to cut down bushes and tree so there could be 2 lines of vendors.

Annastasia Theodoropoulos said "we had some of the most important and knowledgeable patriots in the world gather to attend the festival: Gen. Michael Flynn, Joshua Philipp, Gordon Chang, Trevor Loudon, etc. Several of them said "I'd love to be with you next year!"

May God bless you and your families!

Sincerely,

Richard

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
