Shin Chul and Ji Woo will be visiting the UK on a public schedule from Thursday the 16th to Monday the 20th of January.

We will be blessed to be hosting the couples for a few days in January. The main event will take place on Sunday the 19th of January. A Sunday Service will be held at the River South Peace Embassy in Thornton Heath at 10:30 am which will be followed by lunch and informal conversations until 3 pm.

There will also be a dedicated event for youth on Saturday evening on the 18th at Livingstone House. There will be Worship music, food and games. More details and a registration form will be made available later.

We look forwards to welcoming guests to our community and the events that we will all be able to hold together.
