The peace march for Israel

December 22, 2003 in Jerusalem's Independence Park

Sunhak Institute of History

The Coronation of Jesus as the King of Peace of the First Israel was held on December 22, 2003, in Jerusalem's Independence Park.

Israel is not only the place where three major religions; Judaism, Islam, and Christianity, but also the epicenter of Middle east Conflict. True Parents mention that it is difficult to solve the problem which Israel has only with a political compromise.

In order to solve the conflict under the Interreligious-level, True Parents held the conference sometimes to have the conversation among three religions and had the Israel proclamation three times. After these movements, over twenty thousand religious members started an Israel peace march.

The highlight of a peace march is the Coronation of heung-jin nim and Jesus as the King of Peace.

At that time, the staffs of the coronation of Jesus had difficulties to hold this event which was ordered from True Parents.

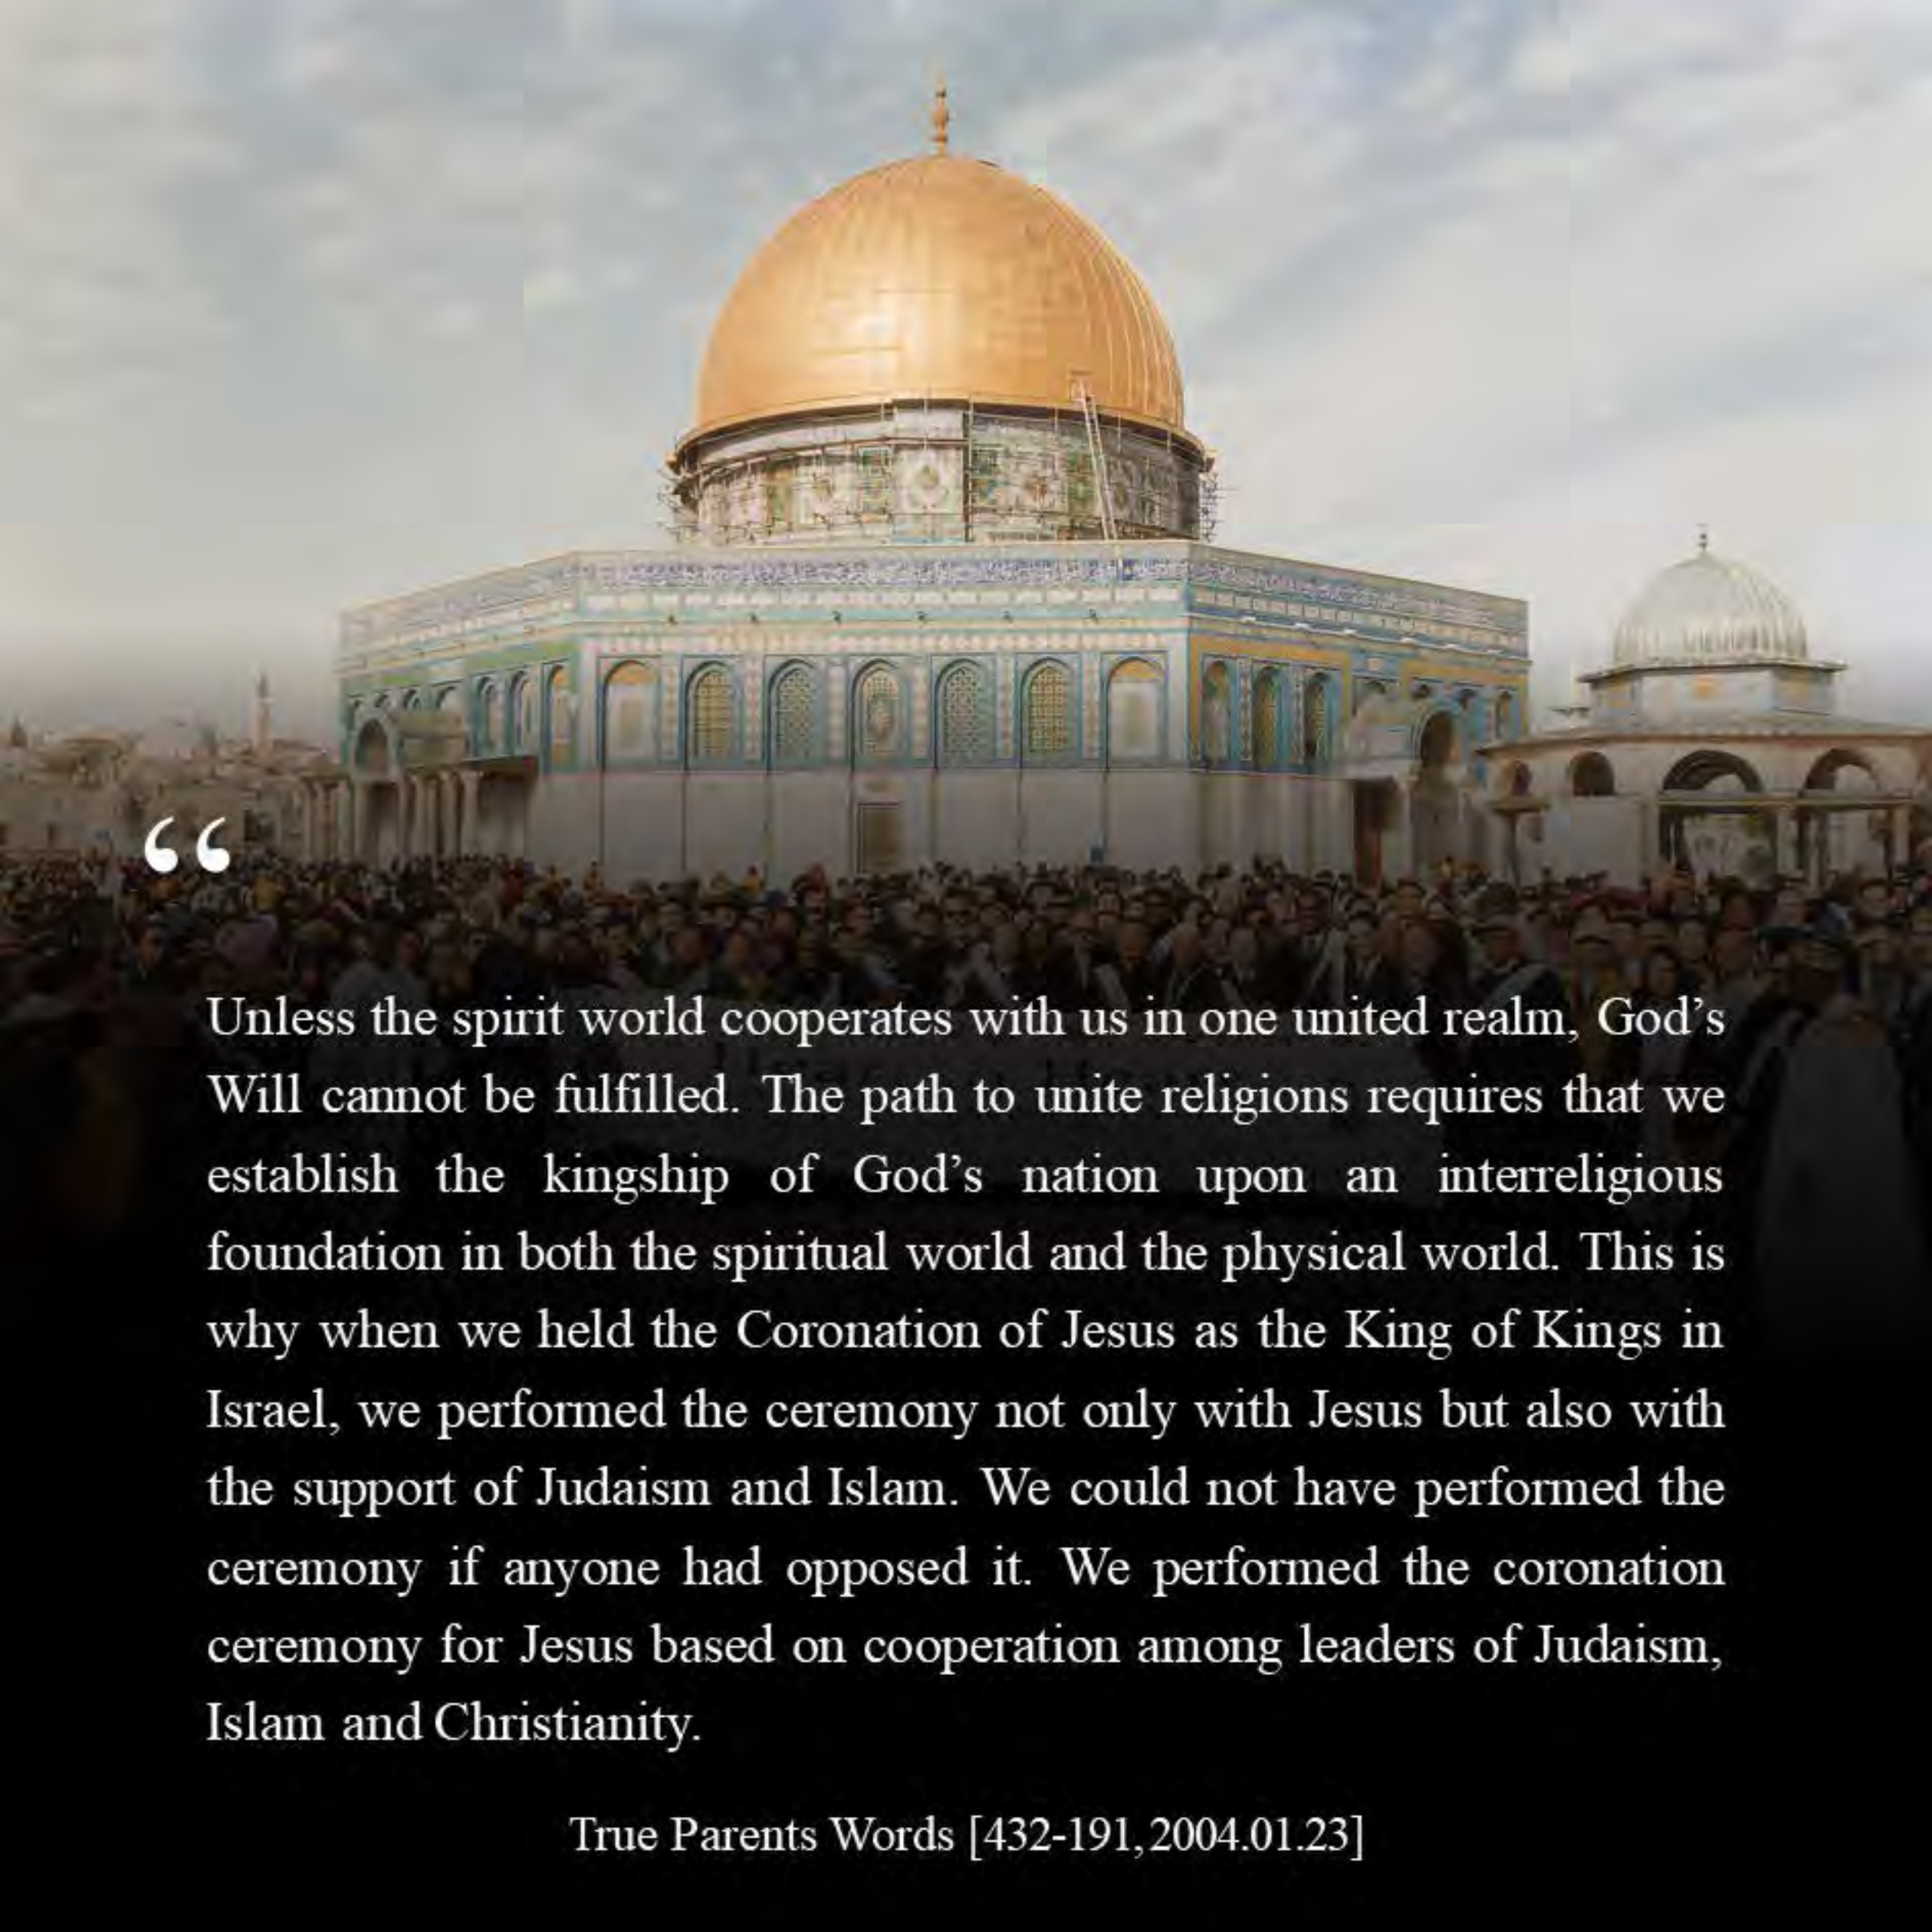

However, this place was full of hope for happiness and peace. The attendees also express ‘peace’ in their languages; English, Hebrew, and Arabic.

Because of the financial support by Judaism and Islam, the coronation ceremony was finished successfully. Jesus could finally stand the Jewish king position and created the foundation to make a spiritual world into one.

Following this, in 2004 the coronation of the king of peace was held in the US and Korea. Also, in 2005, the coronation ceremony of the king of the unification of the Cosmos.

“

Unless the spirit world cooperates with us in one united realm, God's Will cannot be fulfilled. The path to unite religions requires that we establish the kingship of God's nation upon an interreligious foundation in both the spiritual world and the physical world. This is why when we held the Coronation of Jesus as the King of Kings in Israel, we performed the ceremony not only with Jesus but also with the support of Judaism and Islam. We could not have performed the ceremony if anyone had opposed it. We performed the coronation ceremony for Jesus based on cooperation among leaders of Judaism, Islam and Christianity.
