Beloved Father, today is the first day of July in the fifth year of Cheon Il Guk. Half a year has already passed since we began this year to honor the motto "Let us complete the realm of the ideal family in the internal and external Cheon Il Guk." We have passed a climactic watershed and after fourteen years we are celebrating the fifteenth Chil Il Jeol (7.1 Day), which is connected to world history. In this age of being able to commemorate the era of God, we have welcomed a new morning in the new month, marking the fourth day after spending three days touring New York, Washington DC, Chicago and Los Angeles.

Going beyond the critical dividing lines that are national borders, stepping beyond the boundary lines marking each person's ownership, truly at this zero point we are commemorating Sam Chil (3.7) Jeol that newly represents the Old Testament Age and the New Testament Age. I offer thanks for Your grace of permitting us who are on earth to commemorate a great transition through Chil Il (7.1) Jeol, with the participation of our ancestors in the spirit world together with our descendants who will be born in the future, during this period of commemoration that is being held in attendance of True Parents.

For this purpose, please let our minds and bodies be united as we make a fresh start toward an open world of peace where we can live in any location within the realm of protection determined by the Abel UN that You designated centering on the World Peace King Bridge. A time of commemoration could be

established by blessing again everything related to the unity of husband and wife, through which all members of the family are united, establishing a model for our future children. After proclaiming the present era as Your era, we have welcomed the time when all existing beings in the universe, who are in a joyful and glorious state, can advance toward Your ideal kingdom of heaven by going beyond the bitter course of restoration through indemnity, and be made equal in the eternal heavenly world.

Thus, I pray that You will permit us to invest our entire being in creating a broad highway that has eight or more lanes, a bridge and a tunnel that will enable us to make a circuit around the earth, allowing for a time when You, Father, can join in sharing with us at every point that our hobby centered life resides within Your realm of dominion, including the spirit world. I sincerely pray that You will allow us to advance toward a world where we can welcome a new heaven and new earth in the Era after the Coming of Heaven, which is the liberated kingdom of God on earth and in heaven, and enjoy an unchanging tranquil reign of peace for eternity.

As our predecessors desired, I pray that You will give us special permission to fish and to seek a life of gratitude, while experiencing the deep realm of heart in the heavens and in all of nature, where the snow covers the summit, the trees and plants grow in mid slope, and flowers blossom at the foot of the mountain. I sincerely pray that You will allow this day to become a day of commemoration through which a new culture and tradition can be established and advanced in the name of a family of filial children, loyal patriots, saints, and divine sons and daughters, who can bestow upon all things in the universe the right to participate with You and accompany You, and offer to You, our Father, the whole of creation as an existence with the value of liberation and complete freedom.

I sincerely pray that You will bless the blessed families and the blessed leaders, whom You love, who have gathered this morning from the six continents of the world so that they can advance toward the era that safely establishes victorious liberation, complete freedom, harmony and unity, centering on one heart, one mindset, one body and one nucleus. As we now commemorate this Chil Il Jeol (7.1 Day) anew, Father, I pray that You will accept this offering. All this I sincerely, sincerely, sincerely offer and proclaim in the name of True Parents. Aju!
