Words of the main lecturer Rev. Yu:

6th session, special pleasure to have TCh with us.

TF educated us. direction of WS: become one with our destination. We haven't realized.

This is time in God's providence to go over the bridge, determine ourselves to become one with God. purpose of TP coming to world = bring G's Kingdom, save humankind, sacrificed TFam/TCh. parents responsibility, Children from now on have duty to realize port. of resp. new era of providence. We have to

realize: important honour.

Even though God had year of Sabbath, didn't have retreat. In history: 7th year: relax, = meaning of the year of Sabbath. Difference: Sabbath= after work, Fallen ppl can eradicate their state and return to original state.

TP's life: when TP arrived, name house in Hawaii: King Garden. TF's plan – garden of A/E in King Garden in Hawaii. Kona: TP can start new providence, centered on US. New Civilisation proclaimed. New civilisation = totally different. From now on G will be real owner of all things, Island civilisation. F/GB/US on one side, other side: Christianity came from one root, on way divided. centering on US 2nd Israel. TP's missionary life. providence started with Hawaii

Originally TP as King of Kings, way of indemnity for him was not intended, 2nd Israel's failed responsibility. TF started from Hawaii-King Garden. Last year centered on providential nations (US, F, GB) & (D, JAP, I) TF announced a workshop. After establ. of UN after WW II, it not achieved its resp. realize its providential responsibility. UN hasn't realized responsibility. USA where UN is based, has not realized resp. TF: 33yrs age of Jesus, 1930: TF proclaimed he wanted to be more victorious than Jesus. Centering on TP: realization of peaceful world.

This WS = centered on TP, started October last year. All leaders of world called to receive education. TF: 6th stage. Hawaii: TF didn't explain for 6 days, TF travelled Island. Ocean Providence, TF climbed Mount Kona, highest of world, root of mountain under sea level, higher than 3000m beneath sea, highest of world. TF special prayer, 1st: mankind hasn't understood their situation because of Fall and didn't know who God is, TP travelled all world to help ppl understand. TF did prayer of repentance and asked for forgiveness. 2nd: expressed thanks to God. TF went up mountain to save mankind as representative of God.

Representing mankind, TF asked for forgiveness. Next day: HDH, TF gave Peace Message to TM → Shin Joon Nim → Mrs Wonju(?), each representative touched the Book. from Eve to all ppl, this was the original way. Ceremony centered on TP. Next morning, TF received vow, ceremony: New Era of Heart. Shimjeong must be uncovered from Fall. To express this: TF opened New Era of Heart of God. TF asked to purchase bunch of trees, following days, TF didn't talk about it. Few days later then TF planted tree to special places + prayer. TF allows each Creation to return to original state. Each tree: N, E, S, W, every direction. Life was occupied by Satan, in order to get to know satanic place → Las Vegas. 3rd Starting of Beginning of New Civilisation. 60yrs ago, TF: when time = ripe, centering on TM, physical world, A&E: mistake – repelled. In order to nullify mistake of Fall: Era of New

Civilisation. Cain side ppl, centering on Hyo Jin Nim, in sp. w. HyoJN, Hyun Jin + Kook Jin, attended ceremony, TF put hands on heads, held ceremony: TF: Dr Yang Shik Chang one part of ceremony, TM other part – restoring, perfection of Eve. Role played by TM, Ideal of TFam must be realized, TF: restore Eve.

Last year WS in Hawaii, end of WS asked to come to TF's place, started explaining, went fishing, from now on, we must have education on ORIGINAL DP! First time I heard. so Wollli Haesul, Wollli Wongron for Christians. I recorded TF's words time by time, this is source of this WS, then TF said: I (Rev. Yu) am person in charge of WS! Participants of WS will receive TP's signature! Blessed Family and representatives have qualification to attend this WS! 5th time of WS finished, 1st – 5th time special meaning on country level, TP brought ancestors from sp. w. to bring victory. This is first time, different from previous WSs, special purpose, TF said: please ... centering on number 1, first time, TF announced 15d before WS, Hawaii King Garden is too small for big amount of ppl, so WS in Korea, TF moved from Hawaii to Korea.

HgJN gave name Cheon Bok Goong = Temple of God, 1st temple centering on Saul was destroyed, 2nd one destructed, 3rd Israel: honoured to build temple! TF: has right to build God's temple.

US destined to be destroyed, if... therefore: TF doesn't want US be destroyed. Leader of pol, eco, rel in US. 2009 is new start in providence, title of this WS: "procl. compl, respons. provdince" Since A& E's failure nobody could realize Ideal Family, fulfill responsibility! God Himself cannot say He finished respons. Proclaiming title. After TF finished all resp. – completed restoration Jan, Feb, 3d after last WS, thanks to TP victory,

Portion of Responsibility, centering on Absolute Sex. Without that no hope for mankind & world. TF: take off personal things, connect to old world, last moment: jump over line with TP, TP have desire to pull all of us over the line! Center of mankind = God & TP, concept of ORIGINAL DP. So many qualified ppl came to attend this WS. Take off personal clothes to receive G's Shimjung, qualification as I came to this WS, thanks to TP can attend this WS, Blessing of TP, such meaningful WS from the first to the last day. Hawaii: started without HDH, daily schedule, 90 min lecture, alltogether 2h break for meals.

this WS → "you'll only be eating!" sp. & phys. food, so please be healthy!

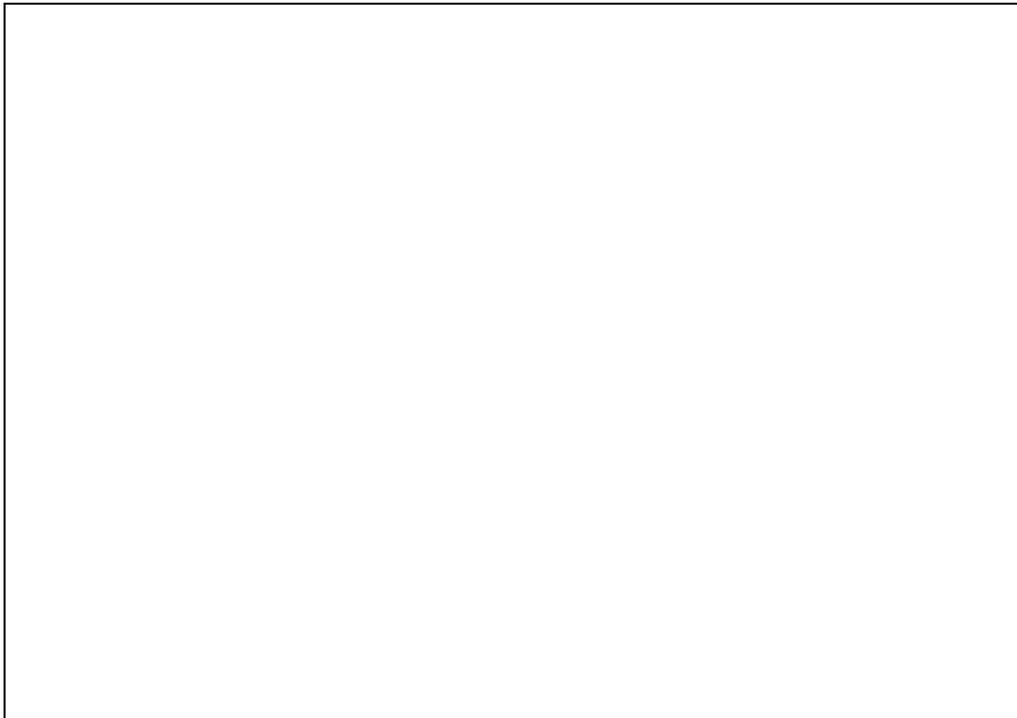

The speaker will deliver the word as clear and holy as possible, give attention, don't fall asleep. Prayer.

Note: The following presentation is based on the translated PPT slides of Rev. Yu's lectures given at the Third "Education Session of Proclaiming the Completion of the Liberated Realm of the Portion of Responsibility in God's Providential History". This is a re-edited and revised version made during the 6th Education Session (1<sup>st</sup> - 8<sup>th</sup> March 2009, Pine Ridge Resort, Korea). Comments Rev. Yu made in addition to the written content have been included as notes to the corresponding slides (based on instantaneous translation).

This file is especially aimed at leaders, lecturers and educators of the Family Federation, who wish to be informed about the contents taught at the special Education Sessions initiated by True Father in October 2008, Hawaii King Garden. Rev. Yu, the lecturer of the Education Sessions, has been appointed by Father to teach all members about the "Original Divine Principle".

Please be aware that this is NOT the official version of the English translation, but is to serve as an inspiration for members. These slides do NOT substitute the participation of a 7-day Workshop with Rev. Yu, for truth does not lie in words and letters, but in spirit and embodiment.

I therefore encourage especially Western members to attend one of the Education Sessions that will be held regularly throughout this year, according to Father's direction. During this 7-day WS you'll be "eating all day long" - Spiritual and Physical Food.

More words on the significance of the Education Sessions:

**True Father's words** as reported from the first special Education Session, Hawaii, by Angel

***"Hawaii is the place closest in character and environment to the Garden of Eden."***

***Father commented that "the pearl is the most sexual element of truth" (check translation)***

***He emphasized very strongly the need for absolute fidelity between husband and wife***

***Father said also that from now on, especially since the helicopter accident (82nd day)***

***Father also talked about going to Las Vegas, which he visited recently a lot to bring it***

***"Getting rid completely of the remnants of Satan's realm, no shadow, whatsoever. This***

***"January 13th 2013 needs to be the completion as families, complete the restoration***

***"We need to live centering on the vertical and horizontal TP with no shadow, just like***

***"There will be benefits in the angelic world and for the ancestors who were blessed."***

***"Become like the First Adam, who is born from the womb of True Parents. Now we live***

***"Pledge #4 of freedom, peace and equality will come about and you need to become it***

***“Connect everything in this age. God, in the position of TP, can be put in the position of King, and we can be divine sons and daughters, who live by the heavenly law. You should become ancestors and representatives of Adam.”***

***“God needs to be the center of attendance. Become the ancestors of absolute sex, that is your destiny you were born with as well as your responsibility, or you will lose yourself in hell, be broken up and your cells will be floating around in the universe.”***

***“Get rid of your fallen nature. Deny everything in the position of freedom.”***

***“Within seven years from this Jubilee year, we need to establish the clear constitution of the Family Pledge and the Cheong Seong Geyong. Do HDH every day together with God and True Parents for seven years. Be owners of yourself!”***

***“Remember these words to become the substantial being, and God will guide you. Don’t make mistakes for the wrong history to remain. Call your ancestors for help.”***

***“The beat should always be right with God’s breathing; have His angle, and then there will be eternal movement. Become God’s eternal family! Pray like that from now on. Become the ancestors to the ancestors. Work together through resonance. One-quarter of yourself should be able to resonate with the spirit world.”***

***“I live my life according to DP, not my own vision. God is now attending the TP in the original position they are in – they are completely liberated.”***

***“Even if I sit down, everything in the world is reported to me. I resonate with all realms. The realm of resonance needs to be established.”***

***“Freedom – equality – peace – happiness should be the qualifications of the family... and the central point is true love, where the sperm and the egg meet. If it is dual, there cannot be any branches. God is a free owner in that position as we keep these laws.”***

***“Love God more than me.”***

***“Educate people about this in many ways, do demonstrations in front of the nation and become the owner like I did. This is the realm of your destiny and mission.”***

***True Father then concluded by saying: “Let us commence the ceremony now! As a representative of Heaven and Earth, I declare that there will be returning resurrection.”***

***“From now on, we are totally responsible for our own actions.”***

Father had someone read the speech he had given on October 14, 2000, which he asked everyone to read and study again, as it marked the beginning of the many levels of Resurrection Ceremonies. It also explains more about the era and **the age of women, who, he said, are like the train (engine) to move forward the Providence in this age, where True Mother will be taking the lead.**

***"You need to register in the age of Boom Bong Wang. It is the same as during the time of King Herod."***

***"The mother is taking the lead (locomotive)."***

***"Live for God and live in the place of God."***

***"Don't think you live on your own. You represent your families, tribes, nations -- and all is connected!"***

Rev. Yu:

especially in our relationship with God and True Parents, to come to "feel the electric current as we think of them and act more and more like them," as Rev. Eu said. "Everything we hear and see should be based on heart (shimjung) in our lives."

"There are no enemies in the original world. The question is, 'How many people like us/me? And how many people have I loved?' When we get insulted three times, we get angry, but our Father often doesn't say anything, when he gets hit. He is not allowed to fight. That's a difficult standard to live up to...Need to like yourself first!"

"What kind of people have we become after living 40 years in our church? This is the time to be careful what you say and do in your life."

### **The Education Session for the Proclaiming the Completion of the Liberated Realm of the Portion of Responsibility in God's Providence.**

This began in Hawaii, then 3 more in Su Taek Ri training center and now this 5th workshop is here in Pine Ridge.

The purpose of this workshop is to set the condition for the Providence for the Start to begin a new era based on the resurrection victory of True Parents over the helicopter trial. Therefore True Parents absolute victory allows a new era to begin in which Father as the True Son of God can fulfill all of God's responsibility from now as the Horizontal True Parents – because Father has completed all courses with True Mother Father has all power to eradicate all evil on earth. He has established with God's Blessing the lineage of heaven and secured it in the three generational realm of Blessing through True Parents, True Children and now True Grandchildren. Through the expansion of the lineage True Parents have the power to eradicate the lineage of Satan

and engraft all to the lineage of God.

Also Father gave us the Cheong Seong Gyeong and the Pyeong Hwa Shin Gyeong as the “Word” that must be given as the original word of mankind.

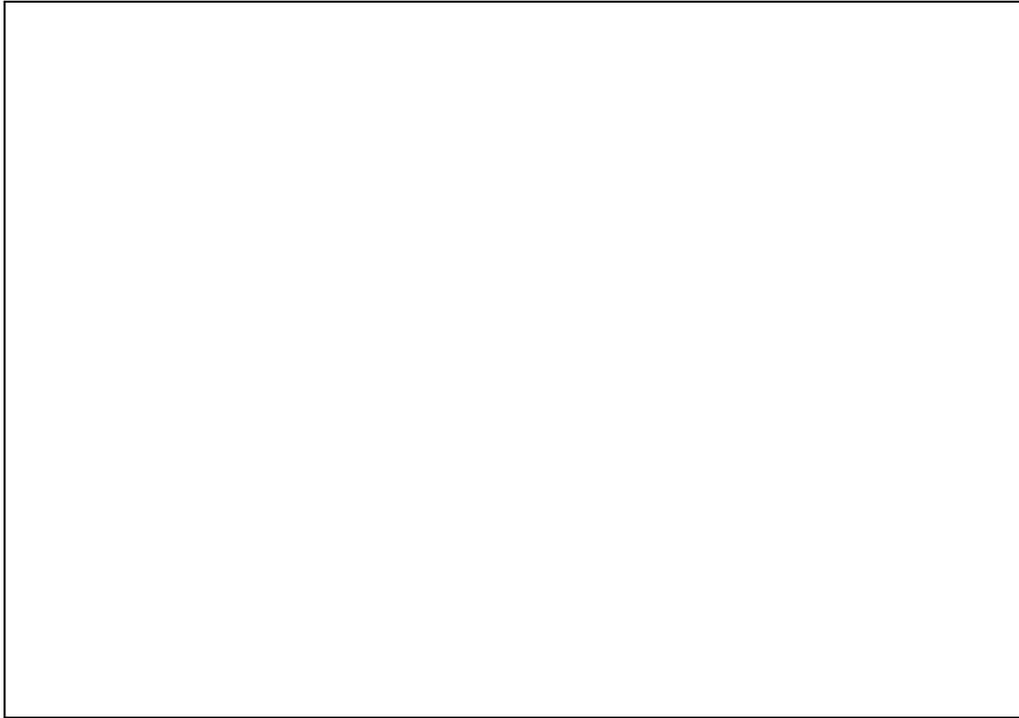

This workshop is the providence for the start that allows all Blessed Central Families to enter into the qualification to allow God to have his Sabbath. For God’s Sabbath Father will take full responsibility for God’s Responsibility therefore God’s responsibility is completed.

Also we as Blessed Central Families gain the qualification through this workshop to inherit True Parents victory and become the temples of God. This also allows God to take his Sabbath. True Parents will take God’s 95% and we must now fulfill our 5% as True Parents did by fulfilling the 8 stage course vertically and horizontally centering on the Original Divine Principle

(From Rev. Michael Jenkins)
