On November 16, 2009

True Parents held 11.16 True Parents 2nd Generation
blessing ceremony at HJ Heaven and Earth CheonBo
Training Center.

On October 14th, in the same year,
True Parents heaven and earth blessing ceremony was
held and right after one month, the other True Parents
blessing ceremony was held.

T rue Parents delivered the message that men and women should receive the blessing without fallen nature. The blessed families has the mission to inherit the blessing to three generations.

Through this words, True Parents set the standard for the blessed family by 11.16 True Parents 2nd Generation blessing ceremony.

This blessing candidates are centered on the pure love, pure lineage, and pure love, who are from 17 to 24 year old.

This blessing means that the second-generation couples become the models for other blessed families. Also, the blessed couples must go back to the starting point when they were from 17 to 24 years old.

T rue Parents educated the candidates directly and then, they held the engage ceremony for the candidates.

During the engage ceremony, True Parents saw the couples one by one. After that, True Father sang a song, took pictures, and True Parents show their interest for the blessed couples.

At the next day of the 11.16 True Parents second-generation blessing ceremony, the 50th True Children day, True Parents gave the blessing and grace for the blessed families ‘Beginning the new start’

“

Please bestow Your grace of the blessing here, and now that You have opened new gates through which the tradition of the blessing of second-generation children from seventeen to twenty-four years of age emerges, please uphold it so that, passing through the love of the first and second generations, not only the third generation but thousands of generations to come may inherit the traditions of Your only sons and daughters who can carry on the traditions True Parents have established as the ancestors of peace and ancestors of the lineage.
