Clarifying Current Jeong Seong Conditions

Joshua Cotter
September 8, 2012

Dear Blessed Families,

Recently, new Jeong Seong conditions were introduced for all members worldwide by the World Mission Headquarters in relation to True Father's Seonghwa. These include kyung-bae and Hoon Dok reading that were already being applied as preparation for Foundation Day. Additionally, we have been maintaining a 24-hour prayer vigil in America with a rotating schedule involving all Districts.

Rev. Cotter is now instructing that we focus our Jeong Seong on the conditions assigned for the 53-day period of our True Father's Seonghwa, ending on October 25, 2012. These include:

1. 120 kyung-bae each day during the Jeong Seong period.
2. Hoon Dok reading of the eight great textbooks and teaching materials: at least thirty minutes each day.
3. Special financial offering of \$1,200 per family (to be fulfilled as soon as possible).
4. Family or community-based prayer during the Jeon Seong period (replacing the 24-hour prayer vigil).

The first two conditions will be officially continued after the 53-day period until Foundation Day.

We hope that this explanation is helpful. Please share it with all families in your communities right away.

Thank you,

Rev. Rendel for Rev. Cotter
