What kind of heirloom are you going to make when you live your life? I have to leave heirloom. This is not horizontal. This land is fallen horizontal. It's two worlds. The horizontal level is hell and the horizontal level is the spirit world. You have to leave this in the spirit world. It's serious. I'm weighing. You have to think about that. So it's not a life that you can live with. It's hard and chewy.

Look at my life. I talked about it yesterday, but what if I go to the spirit world? That's the only "Words". I only have "Words". You meet with me, the emotional side is tumultuous, it's entangled, you have a good position and relative position, but I can't say that. You have to put the "Words" into reality. There is no substance.

That's why I talked about Na Un-mong, Jeonsan Gyo and others with Mr. Park yesterday, but everything is the same. When the owner dies, they all part. Okay?, what do you mean? That's why when I stay here, You must do Hoon Dok Hae like this. It's a worldwide Hoon Dok Hae.

Kwak Jung Hwan! "Yes." Have you ever thought about that? This is why the I emphasizes Hoon Dok Hae. I'm eighty years old, and I'm working for a year and a half and three years. I have to leave this.

Yes, you must feel the true taste of the "Words". You have to feel more than dealing with me. It's an hour or two when I meet you, but This can meet you forever. You must feel that depth before the Unification Church dyes the world.

What did the Communists do in the world for 70 years? They did it with books. That is books. You know? I have to take that seriously. What should you leave for your son and daughter to leave? It's not money. What's not a sign? I mean. You have to realize it. That's why I'm not forever in this land for you to start Hoon Dok Hae. I'm not forever.

Can your mother replace me? Mother can't do that. Mother must feel this word more preciously than anyone else. That's why my children need to be in that position. But they can't stand in that position. They didn't work as a parent. So I'm worried about that. (318-114--115)
