God's Will and the World - Change of Blood Lineage

Photo date and location unknown

Heavenly Father, we now realize what kind of original family You have been looking for. We also realize that from now on we are destined to work toward that ideal family with all our hearts and all our strength. Please guide us and bless us, so that we can live a pure life, with a purified blood lineage, to become people who are embraced deeply in Your eternal love. When we realize how much suffering You have been going through in the process of history in order to restore this heart, we have nothing to say to You. Father, please purify those of us who pledge ourselves in front of You, raising both of our hands, with the determination that we will offer everything to You. We are really grateful to You for the grace and love with which You have been protecting and guiding us so far.

We thank You, Heavenly Father, for having taught such a wonderful heavenly secret. We now stand in the situation which people in the secular world cannot even dream about, and we don't know what to offer You in return. Father, we now clearly realize that we must wholeheartedly offer ourselves to You on Your altar as substantial offerings. When we think of how much You have been suffering, we can never fully express our heart of gratitude.

Also, we are truly grateful to our True Parents for giving us such a blessing and grace. We pray that from now on we really will go forward with determination and gratitude. Please guide us and encourage us, so that we can help each other, knowing that without our spouses we tend to fail. We have to protect each other, pray for each other; we have to become truly the most intimate friends, intimate, closely related brothers and sisters, parents and children, so that we can become qualified to build the world of original love and great glory.

We have now heard about something very awesome, that is, the change of blood lineage. It is a fearful thing, when we think of how difficult the course of restoration has been. We have come here totally ignorant, but we have been following You. We have been going this way filled with a stubborn attitude, thinking that all the glory should belong to us. When we think of the past, how foolish we have been. The more we understand, the more we realize, and we feel ashamed of ourselves. We really don't have any place to hide; everything belongs to heaven, everything is True Parents. We need nothing more.

We now understand this, so we would like to deepen that faith, and we would like to become a husband and wife who can help each other establish the lifelong foundation of victory, leaving a foothold of glory for you. God, please remember us and embrace our children and embrace us as Your eternal children; feed us and embrace us as our parent.

Father, please bless us and guide us so that we can become a true man and true woman, and true husband and true wife, and establish a truly God centered four position foundation, centered upon Your love and heart. Father, we realize that how our spouse looks physically is not the point. His or her physical shape is not important. The important thing is how much we can be vertically connected in heart with You and how close we can get to You. That is what matters.

So even without our understanding, please guide us, Father; help us and guide us so that we can help each other, support each other, and save each other and pass through this satanic world of evil. Please purify both our hands with which we are now pledging. Please purify us as couples. Please sanctify us as those who are promised to enter the Heavenly Kingdom. No matter how much suffering there may be ahead, we will never forget how much You have been suffering, how many tears You shed, and we will help each other and comfort each other. Please guide us so that we can become true husband and wife. We will keep deep in our mind what we have heard today. Please bless us so that we can become true ancestors and fulfill our mission. If we cannot fulfill, then we will have to hand down our task to our descendants from generation to generation.

Father, once again we ask You to guide us and protect us so that we can become truly worthy to serve as pioneers of the creation of the world of heart, the creation of new ideal families. We know that without You everything will be in vain, everything impossible. We must not perpetuate a tragic history. Let us stand in the position to leave everything joyful behind us. Please protect us, Heavenly Father, and please bless us so that we can become a true family, a true husband, a true wife. We leave everything up to You. Please guide us, in the name of our True Parents we pray. Amen.
