

## Master Speaks: Bringing new members

Sun Myung Moon

December 14, 1972

Notes with hand written text

If we are to bring new member we must be prepared to love him, miss him, cry for him -- really want him to come.

If you really want him, he will know it.

When Master sits and meditates and his word goes over all the world, it will stop over the place where many of us are praying hard.

Unless you are able to do this, we are not entitled to carry out this great task.

The core of it all is love. Now people are drawn to us through love.

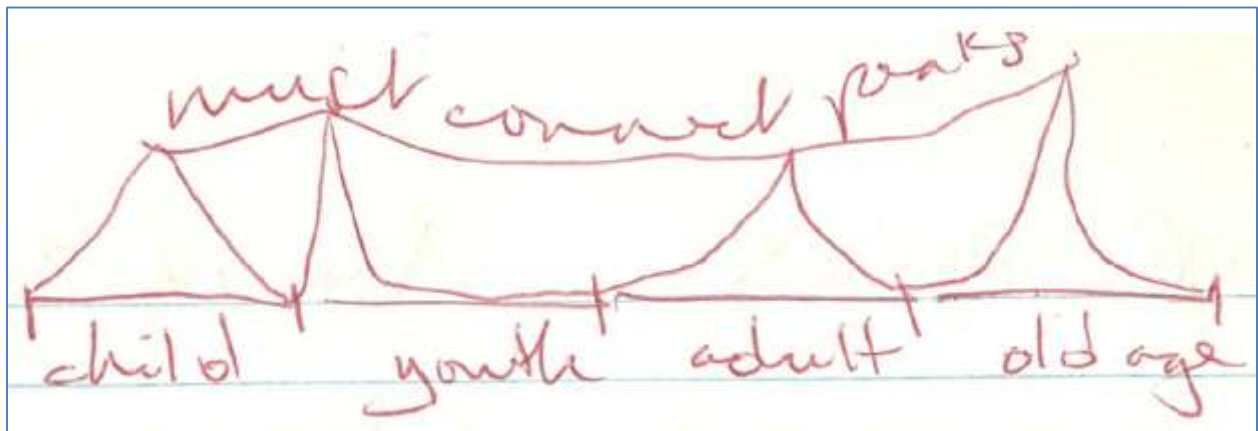

Creation is such that everything is drawn inexorably toward the subject.

We must take on the role of subject.

Electricity: when part is positive, then part must be negative.

To each one of us, our own self is of utmost importance to us.

We want to know what we are to do, where to go, etc.

We must connect the peaks of the child, youth, adult and old age.

There are ups and downs.

(Gap) [There was a time when no notes were taken.]

By 1978, the 60th year of Communism, there will be a 3 year extension possible, but by 1981 at the latest, Communism must be defeated.

World unification has always made them number 3.

From 1971 - 1973, the whole world will change greatly.

1981, will be the 21st birthday of our movement. (from [True Parents' wedding in] 1960 [until 1981])

In 1981 the 3 7 year courses conclude ( $[3 \times 7 =] 21$  years).

If there is such a religion, can you go there and even attack? God will look to those sort of people.

Our religion and only ours can do it.

When we think of this, we must be grateful that we have joined this movement and are soldiers fighting for this great cause.

If Communism is to be defeated, can any other evil force attack us? (Or worldwide evil)

No.

They have tried their best, very very [best]. So no more attack.

Then attack will come from God's side. That is a unifying whole, which ours will absorb, win over.

The Divine Principle says [it] will happen.

Our group has appeared on the earth like David before Goliath.

(Communist = 1/3 of the world.)

When we have faith in God, He will be on our side, so will Spirit World.

We will be strengthened, can carry our mission, can walk, move, spread.

We will be a success, with God working through us.

So, our Mobile Units, if we must cry on [a] street corner, with a handful of people, we must feel we are speaking to all of humanity. We must feel we are traveling all over the entire world.

From then on, we can build a new tradition. A new tradition built by God - by loving people; we can enter the Kingdom of Heaven on Earth.

First and last in the history of religion. We must make it a success.

I must repeatedly say that after being attacked three times and overcoming all attacks, we will be a success.

This is final war and last opportunity to fight.

This will be done here in the U. S.

Will you triumph or be defeated?

1920 to 1940 is the Formation Stage.

1940 to 1960 is the Growth Stage

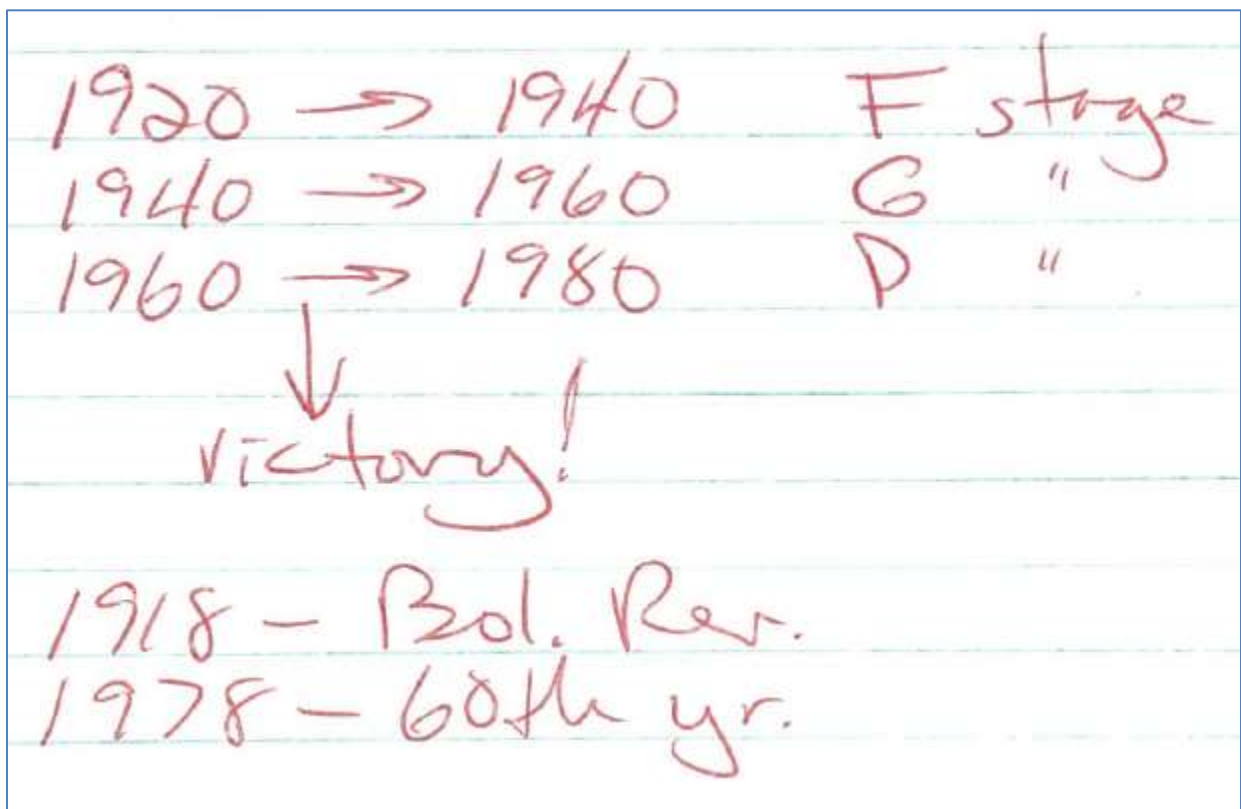

1960 to 1980 is the Perfection Stage.

In before 1980 we must win the victory!

In 1918 the Bolshevik Revolution took place.

1978 is the 60th anniversary of the Bolshevik Revolution.

From 1978 on, Communism will decline.
