

God's Hope for America

June 1, 1976

Sun Myung Moon

Yankee Stadium, NYC, NY

Citizens of the United States and Honorable Delegates of the world, I would like to speak to you tonight on the subject "God's Hope for America." But first of all, I would like to express my heartfelt thanks and appreciation to all of you for coming today and being part of this record crowd.

Here in grand Yankee Stadium we have gathered to celebrate America's 200th birthday. Among this year's many celebrations, our Festival at Yankee Stadium is unique for the following reasons: first, we have gathered together in the name of God, and second, we are having an international celebration. Representatives from all over the world are here for this joyous celebration

God's Goal in History

Today we are living in an age when we must look at every individual and every nation as vital components of the world. In our world, there are basically two ways of life. One is the selfish way of life, and the other is the unselfish way of life where one thinks beyond himself and his family and lives for the greater purpose of the nation and the world. Throughout history, whether in the East or West, those who played important roles were public-minded or selfless persons.

The well-being of the family should come before that of the individual; the nation should come before the family; and the world before the nation and God before the world. This is the philosophy of the selfless way of life. The righteous men and women and saints in history were those people who selflessly sacrificed themselves for God and mankind. Jesus Christ was indeed the supreme example of such a righteous man.

It is truly God, however, who is supremely selfless, supremely public-minded. When mankind rebelled against Him, God did not take revenge; He forgave. And God has been working tirelessly to raise sinful men up out of sin into salvation. To do this God sent His only Son Jesus Christ. Even at the cost of sacrificing His Son, God wanted to save the world. God erected Israel as the chosen nation. The purpose of the chosen nation is also to save the world. And God raised up Christianity for the same purpose -- to save the world.

The Bible says in John 3: 16, "God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life." Remember, the world is God's goal. And just as Jesus willingly gave his life so that the world might live, God wanted all Christians to be willing to give themselves for the salvation of the world. However, today Christians of the world are not even close to realizing this heart of God.

God seeks to build one family of man. Therefore, the family, church and nation which God desires transcend all barriers of race and nationality. The people who are a unified blending of all colors of skin, and who transcend race and nationality are most beautiful in the sight of God and most pleasing to Him.

The Meaning of America

Let us look at America. It is most important that we know whether the United States of America was

conceived by God or not. Ladies and gentlemen, it is my firm belief that the United States of America was indeed conceived by God.

There were, however, two kinds of people among your forefathers. One kind came to this land seeking wealth. The others came to this land seeking God and freedom. They dreamed of building a new nation centered upon God. If the former had become the mainstream of America, there would have been far greater strife, division and struggle between the different races and national groups. The United States would have been filled with unrighteousness and injustice. From the beginning, however, God intervened. Therefore, of all the immigrants, the righteous men of God were to find their proper place as leaders in America. All the different races and nationalities of the world harmonized upon this land to create God-centered families, churches and the nation of America. The beautiful tradition of America was set by your forefathers. Look at your own families. Most families have the virtue of a distinct international character. If your lineage has been in America for some time, it probably unites many different nationalities. In your blood stream many kinds of blood are blended together. Nations who used to be enemies have united in your blood. When the individuals and the families which transcend racial and national barriers gather together to create a church, a society and a nation, that nation will become God's ideal nation for all peoples.

There is only one nation like this in all of history -- creation of God. The people of America have come from every corner of the world. To be an American does not depend upon what race you are, what belief you have, or what cultural background you are from. It is only in this nation that no matter where you are from, you can say this is my country. That is America!

America is a microcosm of the world. Transcending nationality and race, America has created a model for the ideal world. God Himself had purposely hidden this land of America from civilization until His time was full, and then upon her God raised up this model nation. In His Providence God anointed America with oil; He poured out abundant blessing upon this land. In a short 200 years, God raised this nation to be the mightiest nation on earth.

America Today

But blessing never comes alone; it comes with responsibility. If one forsakes the responsibility, one also forsakes God's blessing. Inevitably the blessing of God will leave, and the nation doing this will decline. Is it not true that the signs of such decline are already apparent in America today?

Beloved American people, the time has come that we must repent. We must fear the wrath of God. In the truest sense, who are the true Americans? True Americans are those who have a universal mind. True Americans are those who believe in the one family of man, transcendent of color, and nationality as willed by God. True Americans are those who are proud of such international families, churches and of the nation which consists of all peoples. In the sight of God, there is no black; there is no white; there is no yellow. We must look at the human race, as God sees it. America must return to the true founding spirit of the nation, to the ideals which her ancestors sought to establish with sweat and blood. America must return to Godism, an absolutely God-centered ideology.

God is the motivation, the cause and the foundation of the independence of America. America was born through the Providence of God. If we are centered upon God, we will remain united and enjoy prosperity. However, as soon as we turn away from God, we will be divided.

Ladies and gentlemen, if America wants to keep the blessing of God as the leading nation of the world, it must form a partnership with God. Do you have God in your homes? Do you truly have God in your church? Do you have God in your society and nation? God is the cement. With God, America will stay together like concrete. But if God leaves, she will be like sand. When the flood comes, all will be America's greatness and pride stem from God. With Him America deserves the blessing and can remain as the mightiest nation. With God, you can preserve your dignity and the leadership of the world. If you allow God to leave America, however, this nation will decline; it will be subjugated by satanic hands. When this happens, the future of America will be dismal, tragic. America will become a living hell.

When God's blessing is great, and one forsakes God's will, God's punishment is equally great. In the early 1960s, America seemed to be the hope of the world, and the symbol of America was the city of New York. Today, however, the world has lost faith in America, and New York has become a jungle of immorality and depravity. It has been transformed into a city under the attack of evil. Chicago is no different; nor Los Angeles. Throughout all of America, Satan is becoming the master. God has been forgotten in this country, and if forgotten, God can only leave America. Now is the very moment that this is taking place!

When the unifying force of God leaves America, nothing will be able to hold America together. The family will break down; churches will divide, and America will become mortally ill because the cells of her body are decaying. This will be the perfect opportunity for the evil of Communism to overtake

America. This state of emergency is here now. Someone must do something!

The Work of Reverend Moon

There are critics who say, "Why is Reverend Moon so involved in America's Bicentennial? It is none of his business." Ladies and gentlemen, if there is illness in your home, do you not need a doctor from outside? If your home catches on fire, do you not need fire fighters from outside? God has sent me to America in the role of a doctor, in the role of a fire fighter. That is why I have come to America. Good medicine may taste bitter, and an operation may involve some pain, but the treatment must begin at once. Should a patient complain and push away the doctor's hand when he touches the infected part?

For the last three years, with my entire heart and soul I have been teaching American youth a new revelation from God. They now have a clear concept of what the God-centered family, church, and nation should be like. They also know the dark reality of America. Thus they have become determined fighters to bring new life and salvation to America before it is too late. They know the critical state of the nation. They know the grieving heart of God. And they are absolutely determined to turn the tide back to God. Their enthusiasm is beautiful to behold.

Your dedicated sons and daughters are champions of God crusading for the victory of God's will. As God's front line, they are declaring war against evil. They are courageously fighting this noble battle. We must overcome evil. It is our mission to build the Kingdom of God here on earth. Therefore, we must build a model of the Kingdom of God right here in America, which God loves and has prepared the most.

Ladies and gentlemen, remember, these young people are working tirelessly. Their hearts are filled with tears and sighs in order to create a world free of tears and sighs. These young people are struggling, agonizing over their mission to create a world free of struggle and agony. Our battle is God's battle against Satan. For the sake of God, we will never retreat, but will win, whatever the sacrifice may be.

It is not important whether I am persecuted or not. I am only concerned with the will of God and the mission God gave me. I am concerned that your rejection of me could result in the rejection of God. I am concerned that without knowing the situation clearly, you may be found opposing God's will. If what I am doing is not the will of God, it will not go too far anyway. If, however, what I am doing is the will of God, then no matter how much some people reject and persecute us and try to block the way, this mission will succeed.

Why has Reverend Moon come to America where he has encountered such tribulation? Am I pursuing my own honor? Is money my goal, or power? No! Never! I came to America because this is the country which God, our Heavenly Father has chosen. I came to America because I know the heart of God. I know that in spite of America's rebellion against Him, God will not abandon this country. His will is to make America an example of a Godly nation that the nations of the world can follow. I know God's will is to save the world, and to do this America must lead the way. This is why I came to America. With God you can win; with Satan you will fail.

Three Great Tests

Ladies and gentlemen, 200 years ago your brave ancestors in the Continental Army fought the Revolution, the War of Independence, with faith in God. George Washington knelt down at Valley Forge asking divine intervention, and he and his army were able to win over the invincible British Army. Only through divine intervention could he win the war and America's independence. At that moment, God laid the "Foundation of Land" for America.

Approximately 100 years later when, contrary to God's will, slavery and segregation were rampant here in America, God raised up Abraham Lincoln as His champion, and brought about the victory of the Civil War, liberating the slaves, and affirming equality for all people. By doing so, God laid the "Foundation of People" for America, transcending race and nationality. Yet this was an external test.

Today, 200 years later, America is undergoing another test. This time the test is an internal or spiritual one. It is a religious test, a historical, ideological test. On the other side of the world, the God-denying ideology of Communism has risen up and is ready to undertake an all-out offensive against the free world. Destroying America is the Communists' final and ultimate goal. They know America is God's final bulwark on earth. More than anything else, this is a test of whether America will stand as God's nation or fall.

America cannot win this battle alone. She needs God. In this test you cannot win without God who is the foundation of all truth, and all true ideology. A confrontation is inevitable between the two worlds -- the God-affirming world and the God-denying world. This is a confrontation of ideology. Therefore, as a champion of God, America must win ideologically over atheistic Communism on the worldwide scale, with the unity of all races and nationalities. Our faith in God must be stronger than their faith in

Communism. America must win in the name of God. Thus God would establish the "Foundation of the New World Ideology" in a higher dimension.

One World Under God

The American forefathers fled from religious persecution in Europe, came to the new world, and in the spirit of building "One Nation Under God" they brought about a new nation here in America which is now at the threshold of her third century. In a similar way, today people are fleeing from the Communist world of slavery to the free world. Many were persecuted for their religious beliefs and ideological differences. The time has come to unite them to build a new world centered upon God. United, the free world must liberate the enslaved Communist world. This time our task is to build "One World Under God."

To do this, Christianity of the world must unite. The church must liberate herself from sectarianism. She must undergo a drastic reform, and achieve an ecumenical and an inter-religious unity. For this, we need a spiritual revolution. We need a new ideology, and this new ideology must incorporate Oriental philosophy, uniting the cultures of the East and the West.

This new ideology will also be capable of unifying all the existing religions and ideologies of the world. Therefore, it has come in the form of a new religious or spiritual movement. The Unification Church Movement has been created by God to fulfill that mission. This spiritual movement must first succeed here in America in order to spread throughout the world. The new ideology which the Unification Church brings is "Godism," an absolutely God-centered ideology. It has the power to awaken America, and it has the power to raise up the model of the ideal nation of God upon this land.

With that done, the rest of the world will follow America's example and will build the Kingdom of God upon their respective lands. Then we shall all truly become brothers and sisters under one Father, God. This will be a world of love, a world of happiness. Our planet will be one home, and mankind will be one family. God's will, His long-cherished desire from the beginning of time will finally be fulfilled. This will be the eternal, ideal world of God. Indeed, it will be the Kingdom of God on earth. We will build it with our hands.

This is our supreme mission. It is truly our God-given, sacred mission. God is crying out to the world, and we are His instruments. The world must respond to His call. Listen to God's commandment. Initiate a courageous march towards the Kingdom of God on earth. Whatever the difficulty, let it not stop us. Our march is God's, and it will go on to the end.

My beloved citizens of America, today let us pledge to God Almighty our loyalty and dedication to the fulfillment of this divine mission. Ladies and gentlemen, in the name of God, let us unite, and together build the Kingdom of God on earth! Let us together give our united thanks to God. In the name of the people of the world, may I congratulate you on the 200th birthday of the great nation of America. May God bless you, and may God bless America and her third century.

Thank you very much.
