

## Prayer at the Declaration of God's Eternal Blessing

Sun Myung Moon

July 1, 1991

Chil Il Jeol: 7.1. Day

Hannam-dong Residence, Seoul, Korea

Beloved Heavenly Father! Today is July 1, 1991. We understand that the year 1991 is the very last crucial moment in the dispensational transition period. From the very first day of this year until the end of June, we have persevered through many complications and difficulties, and are now finally entering the month of July. Now that the first half of 1991 has passed, we understand that the second half of this year is the time in your providential history when we can reach the summit of new hope to enter the world of freedom and peace in Your kingdom.

Now, the resentments caused by the North-South division of the Korean peninsula and all the suffering and struggle brought about by East-West complications have all been dissolved by the True Parents. All historical conflicts sown by the false parents have been victoriously overcome by the True Parents, and the era has arrived in which the communist and free worlds, and North and South Korea, can unify. Heavenly Father! Thank you for allowing me to perform the Declaration Ceremony of God's Eternal Blessing on this day,

bringing to a culmination the sacrificial effort You have offered, together with everything representing Your providential history, and thus celebrate together this day of victory, liberation and glory.

The overall meaning of providential history dictates that without having fulfilled the mission of tribal messiah, one's family and nation cannot be connected to the providence. We are so grateful to be able to welcome this day on which we can declare ourselves to be tribal messiahs. We are truly grateful that as of this day we are free to proclaim ourselves as the kindred of the True Parents.

We are thankful that you protected each of our courses of faith up to this point, and that as of this day, July 1, 1991; we are finally able to eliminate the grievous course of historical indemnity. We are aware that now is the time of declaration to reclaim the liberated world of original nature. This world will emerge when the left and right wings unite and when North and South Korea, plus the religious realm and the political realm inherit right of kingship in the parental realm, attending the Creator God and the horizontal True Parents who are the original parents.

We should not stop there, however; centering upon the true love of original nature, we should fulfill the obligations of true love, which is the center for the individual, family, tribe, people, nation, and the whole universe. We understand that by so doing, we must become the foundation for the families living on earth who are the representatives of Your kingdom as originally intended. This is the absolute purpose and goal following the one absolute direction. In order to bring this to pass, we have been issued the order to advance and carry out this solemn task, which means breaking through in the local neighborhood activities (tong-ban gyeokpa).

With this in mind as the final destination, all of us should realize that from the first of July we are entering a new era of world history when we should march forward in full force to save our families and our tribes. Moreover, I have designated this day, the first day of July, to be the one on which we can apply and declare ourselves to be tribal messiahs across the world. All those who have applied to become tribal messiahs should not look to one side or look back, but, rather, follow the destiny You have given them directly and fulfill their missions as Blessed Families. This is to first restore and establish in their families the standards of the right of the eldest son, right of the parent and right of kingship that were lost by Adam and Eve, and then firmly establish a victorious legacy that no one, not even Satan, can affect in any way. Please help us to never forget that such is the mission given for each Blessed Family to fulfill.

In Your presence, there is no free world or communist world, no South or North, and no Satan. I declare in the name of the True Parents to both the spiritual and the physical worlds that all the works of evil will be cleared away and buried forever alongside fallen history, and that Your victorious and liberated kingdom will be established on earth. I therefore beseech You to let us become a shield for all generations to come. I proclaim this in the name of the True Parents at this time on this day of the first of July! Amen! I proclaim this in the name of the True Parents! Amen! I proclaim this in the name of the True Parents! Amen! Amen! Amen!
