Applying principle to your daily life is not enough. You must have True Parents and the Blessing. There have to be True Parents in the restoration process. One God, One Representative - True Parents - and One Lineage.

The key things: Lineage, True Parents, the Blessing through true parents. To do so what must you fulfill? A seven-year course. Why?

Adam and Eve were representing True Parents. But today there are other humans representing the nation and world.

We go through a seven-year course to cleanse ourselves from original sin. It is a condition to indemnify fallen lineage. You must take responsibility for that indemnity process. No one is excluded.

Seven years to receive the blessing and then a total of 21 years.

First restore the creation itself. Seven years. Then receive the blessing. Then two more seven year periods. The blessing is conditional.

The second seven years responsibility is the growth period of Adam and Eve.

The third seven year responsibility is the perfection of Adam and Eve.

Ideally children should not come until your second stage. (Like Jacob and Rachel.)

Final restoration doesn't occur until your children receive Blessing into Father's family. Before that it is symbolic - the Holy Wine Ceremony.

Our children represent Adam and Eve (sinless). You are therefore in the position of God. That is the Foundation of Substance. Through your children your love propagates.

To receive Father's blood is to be physically restored. This comes about through your children receiving the Blessing into the True Family. Therefore your ultimate responsibility as a Unification Church member is to raise children to that standard. Within ten generations - the direct descendent will include hundreds of millions. You are the ancestors, on top of that ladder.

What is the standard? To be the ideal object to the ideal subject: OBEDIENCE. That is the standard upon which you receive the lineage. Through your children you will receive the final restoration.

Go out and witness, preach.

"Kingship" represents lineage. What remains, representing Father, is the lineage, Father's children. Substantial restoration comes only through lineage; therefore Father's family is important.

These things should be spoken by you, not me.

Within the family there is one central figure representing True Parents - that is the elder son. It is the position, not my talent or ability. Each generation will have a central figure - the elder son. That's why Satan always attacked the elder son, tried to dominate the elder son. [He] represents the central point within the ocean of Father's lineage.

You should establish a Parents' Day of your own. Then a Children's Day a Day of All Things and finally Gods' Day at the end of your 21 year course. 1968 is the end of Father's 21 year course. This means you stand in the ideal position, God's position to create ideal children. (who can be blessed in Father's lineage).

You must go through an individual 21 year course.

Who has met the necessary standards to receive the blessing - three spiritual children?

You must receive Father's model course.

If you can give greater sacrificed than the next person, your time will come.

Dec. 23 "Basic Formula of Restoration"  
Applying Principle to your daily life is not enough. You must have T.P., c. on the blessing. There has to be T.P. in the restoration process. One God, one representative = TP, one lineage.  
Key things: lineage, TP, The blessing thru the TP. To do so what must you fulfill?  
7 year course: why?

A: E were representing TP. But there were other h's representing the nation & world.

[Sounds like multiple origin of h. race?]

We go through 7 yr course to cleanse from o. sin. Condition to indemnify fallen lineage.

[As if even in Garden of Eden there had to be engrafting into A: E's lineage.] you must take resp. for that indemnity process. No one is excluded.

7 yrs to receive the blessing, then total 21 years.

1<sup>st</sup> restore the creation itself. 7 yrs. Then receive the blessing. Then 2 more 7 yr periods. The blessing is conditional.

2<sup>nd</sup> 7 yrs resp. the growth period of A: E

3<sup>rd</sup> " " " perf stage of " "

Ideally children should not come til after the 2<sup>nd</sup> stage (like Jacob v/v Rachel).

Final restoration doesn't occur until yr. children receive blessing into F's family.

Before that it is symbolic - The Holy Wine Ceremony.

Our children resp. A: E (sinless). you are in position of God. That is fdr. of substance. Then your children your love propagates.

To receive F's blood is to be physically, restored.  
This comes about thru yr. children receiving the  
blessing into the True Family. ∴ yr ultimate  
resp. as UC member is to raise children to that  
standard. W/in 10 generations - The direct  
descendants will include hundreds of millions.  
You are the ancestor, on top of that ladder.

What is the standard? to be ideal object to  
ideal subject: OBEEDIENCE. That is the standard  
upon wh/ you receive the lineage. Thru your  
children you will receive the final restoration.

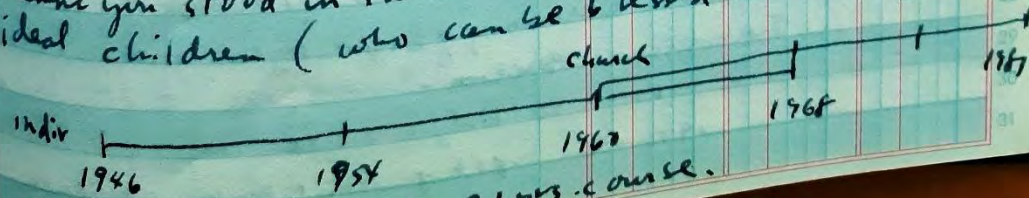

Go out & witness, preach.

"Kingship" rep's lineage. What remains, rep'ing  
F, is the lineage, F's children. Subst. rest. comes  
only thru lineage, ∴ F's family is important.

These things should be spoken by you, not me.

W/in the family, there is one CF rep'ing TP - That  
is elder son. It's the position, not my talent or ability.  
Ea. gen. will have a CF - the elder son. That's why Satan  
always attacked the CF elder son, tried to dominate  
the elder son. Reps. c.p.t. upon the ocean of F's  
lineage.

You should establish a Parents' Day of your own.  
Then Ch, DAT & finally God's Day at end of 21 yr  
course. 1968 = end of F's 21 yr course. This  
means you stood in ideal (God's) position to create  
ideal children (who can be blessed to F's lineage).

1 Who has met The necessary standards to  
2 receive The blessing? 3 sp children.

3 You must receive 'F's' model course.

4 If you can give greater sacrifice than the next  
5 person, your time will come soon.
