March 10, 2017

In the completion stage of the course to establish Cheon Il Guk, we lived through the passion of True Father.

### **LANDMARK EVENTS, 2009-12**

The Coronation of God, the King of All Kings, with the Authority of His Liberation (January 15 and 31, 2009).

The publication of Father's autobiography, As a Peace-Loving Global Citizen (March 7, 2009).

The coronation for the Settlement of the Abel UN and Golden Wedding Ceremony (3.16 by the heavenly calendar, 2010).

The proclamation rally for the Settlement of the True Parents of Heaven, Earth and Humankind Who, as God's Embodiment, Proclaim the Word, and Cosmic Assemblies for the Settlement of the True Parents of Heaven, Earth and Humankind Who, as God's Embodiment, Proclaim the Word.

The opening of the era of the education of humankind by True Parents, the embodiment of God's Word.

The conclusion, completion and consummation of the ultimate providential portion of responsibility.

In front of the blessed families and all humankind, True Parents decreed, and all should complete, the heavenly tribal messiah mission.

By the day he departed this earthly life, True Father had fulfilled the mission of the Savior, Messiah, Returning Lord and True Parents of humankind. He left behind the word, "I have completed everything."

On 7.17 by the heavenly calendar he had his Seonghwa, ascending to the heavenly realms.

### **True Father's prayer**

"Please allow us to become people who can experience Your heart, even when You are forced to command us to follow a path of crises with vicissitudes we have never experienced in our lives. Even if we have to bear the cross thousands of times, please grant that we may become those who struggle along that path gladly and with gratitude. We sincerely hope that You will allow us to become the representatives of Jesus, who called for his Father from the top of the hill of Golgotha, and be Your sons and daughters who can stand in Jesus' position as he staked his life in the garden at Gethsemane and offered his final prayer."

True Father lived the passion of Christ gladly and with gratitude, with True Mother beside him. In his lifelong Gethsemane, she alone kept watch with him. With her, True Father's burden was light, his mission was completed.

Now we are the ones to keep watch, and complete the mission, with True Mother.
