Hello, welcome to Peace Starts with Me. I'm Tyler Hendricks. My topic this week is 'True Mother's Surprising Mission.'

At Washington Monument, True Parents completed the foundation to revive American Christianity to be a global-level bride. Then, several months later, True Father transferred that bride position to all women, all women represented by One Woman.

Referring to modern feminism as the phenomenon of women being able to rise up and put themselves in power, shows that the time has come that God will elevate women to be the physical holy spirit. This is the time, in other words, for the birth of The True Eve.

So, every woman is to be a true Eve; as Mother said, every woman is a candidate for this position. This is why women in general have been given a chance to rise; but, all women will have One Representative. Father said that God is looking for One Perfect Woman to summon out of the Satanic world, who has the potential to become The True Wife, True Mother and True Queen, in order to establish Her in the Position of the First God-Centered Wife, God-Centered Mother and God-Centered Queen.

Now, this Woman's First Mission might surprise you: it is that of John the Baptist, to make Her Husband truly The Messiah. As True Father explains that, at the time of Jesus Christ, the role of John the Baptist was similar to The Bride's role. Through the execution of this mission, the perfected Jesus was to have become The Messiah.

Now, these events of 2,000 years ago were on a national level; but, the coming of the Second Advent will take place on a universal level. As well, who is going to take the role of John the Baptist? Eve. Eve's role is to bring the perfected Adam into the world.

The Bride, The Lord's Eternal Object Partner has John the Baptist's mission and John the Baptist's power, as well as John the Baptist's life-or-death responsibility. It means to be One with True Father. If Father goes East, She goes East: if Father goes West, She goes West. If Father goes to the spirit world, to live at the BONHYANGWON. This is True Mother's Life. It means to carry forward True Father's Work. It means to embrace and empower all women and bring the world's 7.4 billion children to be the sons and daughters of True Father.

Two thousand years ago, John the Baptist's attitude was 'as he increases, I must decrease.' True Mother's attitude is opposite of that: True Parents increase together.

On July 15, 2017 at Madison Square Garden, True Mother took the next step. Blessed are those who took it with Her.

Thank you so much for listening. We'll talk to you again next week.
