**“Rebuild the Family, Restore the Community and Renew the Nation and the World”**

November 12, 2010

Dear ACLC Pastors and Ministry leaders,

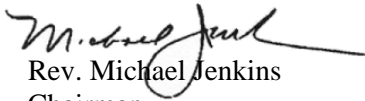

We are pleased to invite you to a special World Assembly of 194 Nations of Ambassadors for Peace and Faith Leaders with the theme of “Liberating the Heart of God”. The program will be held on Monday evening, November 22<sup>nd</sup> at the Manhattan Center, 310 W. 34<sup>th</sup> Street, New York, New York. The doors open at 5:30 PM and the main program will begin at 7 PM.

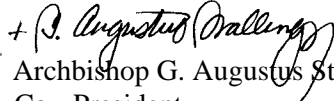

In addition to premier musical performances we will have a special program featuring the world renowned **Rev. Dr. Sun Myung Moon** who will be sharing a message on “How We Must Embody The Word Through Faith and Love”. Father Moon’s recently released bestselling autobiography details how Jesus gave him “New Wine” to share with humanity so that we might be ready for the return of the Lord.

The American Clergy Leadership Conference is a broad based association of Pastors, Ministers and Men and Women of Faith who as Church Leaders feel the call of God to Rebuild the Family, Restore the Community and to Renew the Nation and the World. This is a time for the Prophetic anointing of God's leaders to guide the people and the nation to properly lift up and acknowledge God so that He can bless his people for a new time in history.

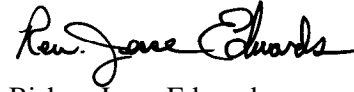

Sincerely,
