Have you ever wondered why we need an International Peace Highway?

"The vision is for a high-speed transportation artery linking the entire globe. On the day of its completion, much of our world will become one village linked by one road." - Mother Moon

"This tunnel can help make the world a single community at last... Think of how much money the world is wasting on war. The time has come for nations to work together, pool their resources and, as the prophet Isaiah taught, beat our swords into plowshares and our spears into pruning hooks." - Father Moon, UPF Inauguration, 2005
