Women in Leadership's Mission Statement:

Women in Leadership (WIL) is committed to honoring the legacy of women leaders by engaging them in its mission, "Devoted to America's founding ideals and to public service."

As a project of The Washington Times Foundation, Women in Leadership (WIL) encourage the highest ideals in cultural values and public mindedness in an effort to build bridges of

understanding. WIL aims to bring women leaders together beyond any specific political leaning or religious tradition, through reaching out to the community, building co-prosperity, affirming religious and racial harmony, and stable families.
