Bridging the Great Chasm: *Cultural Exchange & the DPRK*

Tuesday, May 24, 2022: 2 PM EDT

The DPRK is known as one of the most isolated countries in the world, and yet a handful of trailblazing individuals have begun to make inroads in developing partnerships and engagements with North Korea. One particular area of interest is the field of culture and arts which has a way of establishing new pathways of partnership. Arts and culture has the ability to go where no other discipline may be able to.

This webinar features first hand perspectives from cultural experts who have on the ground experience developing partnerships and relationships with North

Korea.

The Livestream will begin at 2 PM EDT
