

IAAP USA Webinar: Computer Analysis of Near Death Experiences - August 29

Staffan Berg
August 28, 2023

Computer Analysis of Near Death Experiences Toward Interdependence, Mutual Prosperity and Universal Values
Tuesday August 29, 2023 2:00 PM EST

Archedon
NDE researcher

Dr. Kathy Winings
Vice President of the Board of Directors
International Relief Friendship Foundation, Inc.

Dr. Staffan Berg
Coordinator IAAP USA
(Moderator)

Michael Jenkins
President, Universal Peace Federation International

To separate fiction from the numerous sincere testimonies of life-changing Near Death Experiences (NDE), this panel will discuss a novel effort to organize NDE with the aid of AI technology. The purpose is to find the "consistent first principles." Please join us to weigh in on the possibility of using NDE to expand the scope of scientific inquiry to include post-material and difficult to quantify spiritual reality.

Sponsored by the Foundation of Association of Academicians For Peace and Universal Peace Federation

Computer Analysis of Near Death Experiences *Toward interdependence, mutual prosperity and universally shared values*

Tuesday, August 29 from 2 to 3 pm EDT

To separate fiction from the numerous sincere testimonies of life-changing Near Death Experiences (NDE), this panel will discuss a novel effort to organize NDE with the aid of AI technology. The purpose is to determine its "consistent first principles." Please join us to weigh in on the possibility of using NDE to expand the scope of scientific inquiry to include post-material and difficult to quantify spiritual reality.

Join us as **Dr. Staffan Berg**, *US Coordinator of IAAP* moderates a stimulating discussion between *NDE researcher Archedon* and *Dr. Kathy Winings, Vice President of the Board of Directors of International Relief Friendship Foundation, Inc.*
