China failed in their efforts to intimidate the Taiwan electorate and ensure the defeat of the Democratic Progressive Party candidate, Lai Ching-te. North Korea's Kim Jong Un's bellicose rhetoric, declaring that South Korea is their principal enemy and reunification will never happen, while launching ICBMs and cruise missiles is concerning, as is North Korea providing Russia with weapons for their war in

Ukraine. Is North Korea preparing for war? These are troubling developments.

Join guest panelist the **Honorable James Clapper**, former Director of National Intelligence and retired Lt. General USAF, along with moderator **Amb. Joe DeTrani**, former special envoy to the six-party talks and **Dr. Alexandre Mansourov**, professor at the Center for Security Studies at Georgetown University as they examine the way forward.

This forum will be held on **Tuesday, February 6, 2024 at 2 PM ET**, livestreamed on **washingtonbrief.org**. Register at: washingtonbrief.org/register
