[The Washington Brief webcast](#) **Prospects for Another U.S.- North Korea Summit?**

Tuesday, October 7, 2025 from 2 to 3 PM EDT

North Korea is a de facto nuclear weapons state. However, the U.S. has never accepted North Korea as a de jure nuclear weapons state, insisting that they denuclearize completely and verifiably. Kim Jong Un's condition for another summit with President Trump is that the U.S. accept North Korea as a nuclear weapons state and cease any mention of North Korea abandoning its nuclear weapons program. Will the U.S. accept this condition for another summit?

Join **Ambassador Joseph DeTrani**, commentator on global issues and former special envoy to the Korea six-party talks and **Dr. Alexander Mansourov**, professor at the Center for Security Studies at Georgetown, along with **Dr. Michael Jenkins**, president of The

Washington Times Foundation and Universal Peace Federation.
