*** Workshop Process**

1. Register your child's name in the ancestor liberation form in section for relatives and indicate the relation to you.
2. Please prepare a new candle and matches to be blessed as a seed candle for your prayer condition.
3. At home the parents need to pray for the child twice a day, in the morning and in the evening with the special candle for at least one year to make your child's spirit body to grow up quickly so that they can be qualified to be blessed.
