24+ Connect Virtual Retreat Registration is Open

This 24+ Connect virtual retreat will be our first 21–39 retreat!

Join together with singles from across the US and around the world March 31 – April 2. The event is open to all single Second Generation and Jacob's Child Unificationists between the ages of 21 and 39, as well as First Generation Unificationists of the same age on a case-by-case basis (dependent on Matching Supporter referral).

When it comes to discussion groups and one-on-ones, the group will be divided in two, meeting only with those in the same age bracket. Stage of Attachment – Birth to 18 Months

Newborns give their parents a gift--the opportunity to give unconditionally. This experience is transforming, and we are able to put aside our own needs for the sake of our child. We can grow beyond our own self-involvement and self-centeredness. Babies come packaged in a way to invite us to protect and nurture them. They are in the process of self-creation and parents have the opportunity to be co-creators and partners with them as they develop their brain, senses and discover the world.
