The Family Project

The Family Project is here to help you make 2023 a meaningful year for your family with curated intentional activities that will encourage connection and growth.

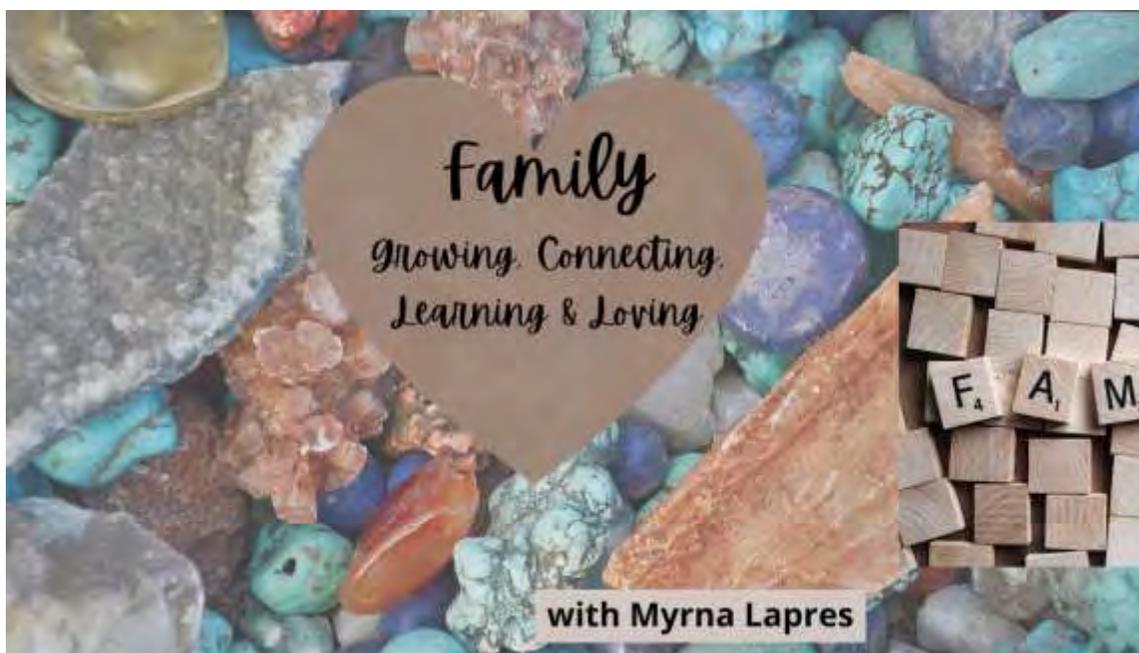

How it works

- Each month consists of weekly activities that you can download on the website or receive via email
- Fit the activities to your lifestyle – do it at your own pace and in your own creative way
- If you ever need to skip an activity, no problem! You know your family best

food for thought

Stage of Identity—3-4 years

The Stage of Identity covers the ages from 3 to 4 years old and this child is seeking answers to the question, “Who am I in relationship to others and the world?” As with the Stage of Exploration, this comes on the foundation of a strong attachment to the parent. Your child wants to know that you are nearby but there is a strong need to explore the world. They are embarking on the journey to become their own distinct self. “I am discovering that I can be me and keep my connection with you at the same time.”
