West Blessing Level 2 Virtual

Workshop

This virtual workshop will include Level 2 content and will be a space to go more in depth into the value and significance of the Blessing, change in blood lineage, and the foundation we stand upon.

Although this workshop is virtual, you can do a watch party in your community to have discussion and lunch together. Each person has to register individually.

Dates: Saturday, March 18 & March 25

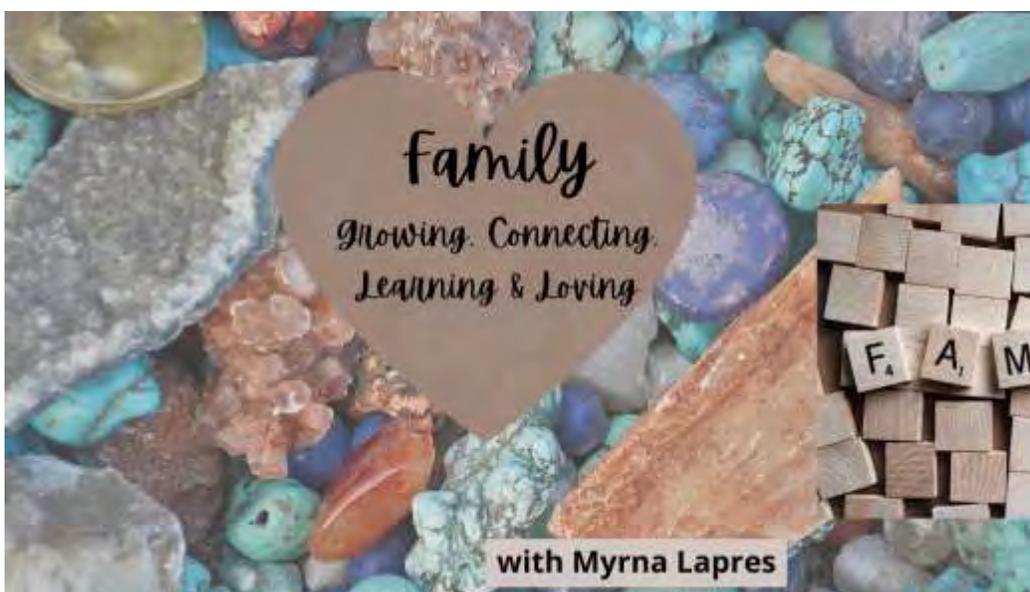

Time: 9:00 AM – 4:00 PM PST

food for thought

The Stage of Concern: 7–12 years

Between age 7 and 12 years old, your child begins to spend a great deal of time in relationship with others, outside of the parents' control. This can be a source of uneasiness for parents. The child interacts with new relationships and environments with all their challenges and the impulses they call forth. Your child's ability to handle these new experiences isn't not because you are there with your child to help them navigate but because they have internalized what you have taught them. They are developing an inner moral compass that will serve them throughout their whole life.
