Dear HARP members & Parents,

Youth Ministry would like to offer you a one day workshop specifically for strengthening and reinforcing that vitally important relationship between Parents and teenagers/young adults from 11-18 years of age.

The programme will start shortly after the service in the Peace Embassy in Thornton Heath, South London beginning at 1:30pm and finishing at 6:00pm.

We will begin with some lighthearted activities, listen to some sharings, and have a chance to address unresolved issues, past hurt and resolve to start afresh through various activities.

Whether we feel that our relationships are doing well, or whether there are difficulties going on; this programme aims to strengthen bonds and open up communication, helping us mend our relationships, or at least begin that journey!

Apply here

The programme is for 11-18 years olds, although we have some flexibility, please contact with any questions.

The fee will be £10 per person and a light dinner will be provided.

Please join us and let's begin that rekindling journey!
