

Pacific Clergy Leadership Conference: 4th Asia-Pacific Nation-Building Seminar

Song Yong-cheon

October 1, 2024

The entire event consisted of special lectures, praise, self-reflection, discussions, interdenominational joint prayer meetings, and commemorative photos. The first part focused on "Heavenly Parent's Dream: Salvation through Blessing," followed by the second part, which centered on discussing "Our Lords Return."

On this day, a total of 810 people from 18 countries in the Asia-Pacific region, including Japan, the United States, Korea, and Burundi, participated in

the seminar through various group watch parties (via Zoom, Facebook, YouTube). Attendees included Dr. Masaichi Hori, President of Heavenly Asia Pacific, and Dr. Robert Kittel.

In his welcoming speech, President Hori expressed gratitude to the participants and emphasized that the values of True Parents' ideal family should be properly taught to all families today to fulfill Heavenly Parent's dream.

Following this, Dr. Robert Kittel, co-chair of PCLC, delivered a special lecture focusing on "The Return of Christ," the fifth sub-theme of the main topic "God's Dream." He took time to explain in detail how Jesus' mission was conveyed through the birth and holy marriage of True Parents, who have devoted their entire lives to promoting a worldwide peace movement to realize the ideal of "One Human Family under Heavenly Parent."

The Pacific Clergy Leadership Conference (PCLC) is an inter-denominational, inter-racial, and international coalition led primarily by Christian clergy, leaders and organizations. PCLC shares True Parents' beliefs and teachings, making a social impact through teachings and activities for peace and prosperity. As such, PCLC aims to realize the peace vision of "*establishing righteous families and contributing to world peace by creating one human family and a new unified world under God.*" To achieve this, they advocate strengthening marital and family relationships. PCLC has been actively working throughout the Asia-Pacific region to help achieve freedom, faith, harmony, and development.

The Clergy Leadership Conferences are active in about 30 countries, including Korea, the United States, United Kingdom, Canada, Paraguay, Dominican Republic, and are also actively operating in various countries on the Africa continent.

The Pacific Clergy Leadership Conference (PCLC) successfully held the 4th Asia Pacific Clergy Nation-Building Seminar in the Asia-Pacific region on October 1st of the Heavenly Calendar, under the theme "God's Dream: The Salvation of Marriage."
