The Annual Gathering Festival is the event of the year where our communities from around the country come together for service, fun, sun (it's on order but if anyone wants to do a Sun Dance, you never know it might just help) and of course to spend quality time together in our much loved Cleeve House.

This occasion is too special to last only one day, which is why just like last year, it'll last for two days across the bank holiday weekend Sunday 28th and Monday 29th of August.

You can register your attendance [here](#) (you can also pay for your tickets in advance and beat the queues!)

We're going to be having lots going on at our Annual Gathering Festival this year, there'll be something for all ages to enjoy. Have a look below for more info on some of the activities that are happening.
