The 2016 European Cheon Il Guk Assembly will take place in the beautiful city of Prague from Thursday, 9th to Sunday, 12th March 2016.

The hope is to create a programme which will fully represent all areas of our community's work and which will allow time for sharing plans and inspirations. The format will include plenary sessions to cover issues of interest to all participants as well as breakout sessions which will cover specific issues.
