

Vacancy: Trainee Press Officer, FFWPU Application Deadline: 21st September

Matthew Huish
August 24, 2017

We wish to appoint a London-based Trainee Press Officer to act as a spokesperson for the Family Federation for World Peace and Unification and to be a first point of contact to the UK media. This is an exciting opportunity to play a pivotal role in helping the movement continue to develop a healthy working relationship with the press.

Activities will include handling journalists' enquiries, building up a network of media contacts, issuing press releases when applicable, setting up media interviews and monitoring newspaper and broadcast coverage.

The person sought will be a confident communicator – well-versed in all aspects of the Unification Movement – keen sense of humour – at ease with meeting journalists and editors and producers face to face – with the vision and courage to help set the agenda rather than follow it.
