

Invitation to join a National United Kingdom Prayer Condition starting July 9

Matthew Huish
July 6, 2018

Wednesday, 4 July 2018 Dear Blessed Families, Brothers and Sisters, The United Kingdom has had, and continues to have, a crucial role in God's providence.

We would like to invite as many of you as can to join in a prayer condition for forty days prior to the 6th Anniversary of True Father's Ascension (August 27) where we can pray in earnest about this nation's responsibility and her role, now and in the future, that our efforts in this time can serve the highest purpose and bring the greatest result for Heaven.

Period: Monday 9 July – Friday 17 August, 2018 Daily Prayer: 12 minutes (Please choose a time of day that suits you.)

Suggested prayer points:

1. That the United Kingdom can step up and meet the expectations of God, our Heavenly Parent.
2. That the United Kingdom can fulfil her Restored Eve nation role as a mother nation and make a vital and positive contribution to the world.
3. That decisions and efforts made by the leadership and people of this country can be righteous, motivated by a spirit of selflessness and aligned with the Will of Heaven.
4. That those men and women who have been prepared by God as 'John the Baptists' for this time can step forward and work victoriously with True Parents in supporting the dispensation.
5. That as Unificationists we can work with new-found confidence, absolutely united with True Parents, and fulfil our role as Heavenly Tribal Messiahs.

These prayer points are guidelines – please add to these and develop them as you see fit.

We should remember that because True Parents are the central figures in God's Providence, our efforts and the nation's fortune are directly connected.

Zoom Prayer Calls

We plan to have four Zoom calls (online video conferencing) where we can all meet to pray our 12 minutes together and share relevant thoughts and inspirations.

These will be at the start (9 July); on the 12th day (20 July); on the 21st day (29 July); and on the final, 40th day (17 August).

Zoom calls will be at 9pm UK time and links will be sent out via the community networks. Please inform your local pastor if you are participating in the national prayer. Thank you in advance for your devotion. "Prayer is the Concentration of Sincerity." (Sun Myung Moon)
