About HJ Offering Papers

What is a HJ Offering Paper?

Hyojeong (HJ) Offering Papers are special wish cards that have been given to members on the foundation of True Parents' victory.

True Parents expressed deep concern for the blessed families who were having difficult problems, and gave us the grace of the offering papers so that the way for ancestor liberation and ancestor blessing could be opened. True Parents gave us offering papers so that we can live spiritually and physically healthy lives, resolve spiritual problems, and advance to the next stage of our lives with more ease.

The biggest grace members can receive from this ceremony is having the traces and memories of sins of their blessed ancestors expunged.

To receive the grace of this ceremony, each person must participate in the offering ceremony in person. At least one offering paper must be offered.
