

Peru recognizes Jung Moon Lee and Trevor Edward Jones for Promoting Peace

Trevor Jones
March 16, 2019

On Friday 16th of March, in front of a large distinguished audience of Military personnel, retired soldiers and representatives of various NGOs, the recognition ceremony was held in the Raúl Porras Barenchea Chamber of the Congress of the Republic. This event organized by Congressman Luis Alberto Yika García, at the location where prominent figures were recognized for their great work. Among them Dr. Trevor Edward Jones President UPF Peru, received recognition from Congressman Yika for his outstanding work in promoting a culture of peace in our country.

In this special ceremony, the Congress of the Republic of Peru represented by the office of Congressman Luis Alberto Yika García, also presented the recognition for his great work of promoting a Culture of Peace at the World level to our UPF Director of Sub region N ° 3 Rev. Dr. Jung Moon Lee.

In his absence this honorific recognition was received by Dr. Trevor Jones, who expressed his thanks for these awards. He also spoke about the development of UPF based on the vision of the Founders, Rev Sun Myung Moon and Dr. Hak Ja Han.

Dr. Trevor Jones, accompanied by his wife, Mrs. Faith Jones, President of the WFWP Peru and a delegation of Ambassadors for Peace, said that UPF's work in Peru has been growing rapidly with the support of the Ambassadors of Peace, who are people actively supporting our work and enthusiastically working for peace in many areas of society.
