Dear ACLC Pastors and Friends in Faith,

We continue to pray for you and your profound work for Heaven! We are excited to announce that “Peace Starts With Me” is coming to the City of Refuge on Saturday, April 6, 2019. We will be co-hosting a beautiful coming together of churches throughout California. We need your support in leadership for this fresh outpouring of the Holy Spirit to bless the city and the world. This event is for all believers and will be held at the City of Refuge, 14527 San Pedro St, Gardena, CA 90248 on April 6, 2019 at 2 pm. (Doors open at 1 PM.)

Grammy winning Spiritual leader and Gospel artist Bishop Hezekiah Walker will lift our hearts with “Every Praise” while joined by 500 voices of the best churches in our community. Please sign up for your choir to join at www.peacestartswithmechoir.com. This will be televised, and we expect it to have major impact that will inspire unity of the Body of Christ throughout America.

We encourage all pastors and their join us for this celebration which is co-sponsored by City of Refuge and the American Clergy Leadership Conference. I will be giving a message on the fundamental teaching of Jesus that we can only say we love God and if we truly love our fellow man. All are welcomed to join us! Mother Moon, known throughout the world as the “Mother of Peace”, just finished a tour with “Peace Starts with Me” in New York, Senegal, Zimbabwe, South Africa and Nepal is coming to LA with a profound anointing from God to bring love, unity and peace to all believers.

Pastors, there is such a crisis in our communities and in the world, yet we stand on the Word that says; “Weeping may endureth for a night but Joy Cometh in the Morning.” (Psalm 30:5). Pastors, the morning is surely coming, and it must be ushered in by faith leaders. We have seen a new move of the Holy Spirit and want to share it with you and all my colleagues in the ministry and their beautiful churches.

Sincerely,

Bishop Noel Jones
