English 7 Day Workshop

Starting next Sunday!

Testimony

26th 7-day English Workshop (August 2025)

I am truly grateful that during the 7-day workshop I could experience two days of Ansu. For the past year, I had been suffering with a deep life-and-death struggle, even hearing curses when I prayed to True Mother. My heart was full of fear, shame, and guilt, and it was very difficult to stand before True Parents.

During Ansu, my body began to move uncontrollably, and from deep inside me came cries of pain, sorrow, and loneliness. I felt spirits leaving me, and afterward my chest was even covered with red dots. I realized my central resentful spirits were angry because I had not lived joyfully in this golden era with True Mother, but instead lived with complaint, resentment, and weak attendance. Their cursing was actually to wake me up to live sincerely.

Through this, I came to see my need to return to Heavenly Parent and Holy Mother Han with a heart of joy and filial piety. I also realized how my resentment in relationships, especially toward my husband, had attracted more spirits, and how important it is to strive for harmony as True Mother has shown.

I am deeply grateful for this liberation experience, and I want to live as a sincere child who can comfort and attend Holy Mother Han. Truly, I am blessed to have met True Parents, and I pray my heart can overflow with joy and gratitude every day. Aju!

Han Hwa Gung CheonBo Great Works

Registration closes February 7th!

Testimony

Han Hwa Gung CheonBo Great Works (October 2025)

This time, I participated for the first time as the main drummer (Chanyang Team) in the Liberation Ceremony. I prayed and reflected deeply on what kind of heart and attitude I should have before Heavenly Parent and True Parents as I offered my service, and I devoted myself to practice. While praying about what kind of vibration and resonance would be most heavenly when playing the drums, I received the inspiration that it would be best to play in a way that produces "the same vibration as the heartbeat of True Mother."

A baby in the womb feels the most peace, comfort, and love through the sound of its mother's heartbeat. I came to feel that the sound that all humankind — even evil spirits — yearn for is the heartbeat of True Mother.

So I practiced and performed with the conscious intent to bring forth that heartbeat through my drumming.

Although I do not have spiritual eyes to see what kind of change may have occurred through that vibration, I strongly felt that the path Heavenly Parent desires for us is to live in resonance with True Mother's heart and heartbeat — to love humanity as the embodiment of True Love. Before the ceremony, I was struggling with recurring negative thoughts — complaints, resentment, and frustration — and I carried a heavy heart. But once the ceremony concluded, I felt completely liberated from those feelings and realized they had been interference from evil spirits. Through this experience, I deeply understood that sometimes people can be influenced by evil spirits to harbor negative thoughts, emotions, or feelings, even against their will. It was truly a precious realization. I also came to believe that it is important to build a culture where not only our church members but all people can receive spiritual healing and cleansing. To achieve this, we must reach out beyond our community and also make efforts to clarify and study the spiritual phenomena of these ceremonies scientifically. I believe this will be essential for the future development of the Cheon Shim Won providence.

What is Cheonshim Won? (from the Chambumo Ron)

On October 10, 2020, True Mother gave Jeongshim Won (情心苑, Garden of Heart and Emotion), the prayer hall at the training center, a new name, christening it "**Cheonshim Won**" (天心苑, **Garden of Heaven's Heart**). Establishing Cheonshim Won as a providential organization, she designated it as a place to nurture second- and third-generation spiritual leaders for Cheon Il Guk.

I have brought the third generation forward to establish the tradition of the providence. While I am on earth, I will create all environments to be free-flowing, like running water. I will plan and develop Cheonshim Won as a place to cultivate talented individuals as pure water who can communicate with the pure and clean heart of Heaven.

Cheonshim Won is the worldwide headquarters for jeongseong (devotions). It is the main sanctuary for jeongseong in Cheon Il Guk, the main headquarters for the spiritual

providence, and the center for developing the spirituality of Cheon Il Guk leaders and blessed families. **Cheonshim Won is a place where blessed families can resonate with the heart of Heaven.**

When we are on the same frequency as Heavenly Parent and True Parents' hearts, we experience resonance with them. **When we achieve resonance in unity with Heavenly Parent and True Parents, we can hear their voices.** Therefore, prayer is not a monologue but resonance with Heavenly Parent and True Parents' heart. ...
