Testimonies

Kimie Stana (TX)

The Spiritual Devotional Wear Bestowal Ceremony was deeply moving. Upon returning to my local church, I was led to feel a strong sense of responsibility to make Cheonshim Won a prayer room filled with heartfelt, tearful prayers. I made a firm resolution to support the church leader through consistent and sincere prayer.

Through Chairman Higuchi's lecture, I came to realize the importance of living a life guided by spiritual sensitivity. Rather than relying solely on intellectual understanding, I recognized the necessity of cultivating and deepening my spirituality.

I am also sincerely grateful for the opportunity to participate in the all-night prayer vigil.

Yoko Burns (NJ)

During the time of anointing this morning, my late mother appeared to me. It was my first such experience. I felt my mother's warmth and said to her, "It was I who asked God to allow me to be born as your child." During the anointing, tears flowed, and I felt as though a deeply warm and loving mother-daughter relationship was being restored. I sensed that those in the spirit world are always waiting, hoping to form relationships with us and to support us.

Through this three-day spiritual workshop, I was able to experience the depth of prayer. I would like to make every effort to put this into practice when I return to my community.

Kiyoe Parker (PA)

As I listened to the prayers of the members and resonated with them, I received many blessings and felt spiritually uplifted. The united invocation prayer was truly wonderful. Through my participation, I felt with my entire being the presence of Heavenly Parent, the power of absolute and total devotion, and the love of the True Parents.

What is Cheonshim Won?

(from the Chambumo Ron)

On October 10, 2020, True Mother gave Jeongshim Won (情心苑, Garden of Heart and Emotion), the prayer hall at the training center, a new name, christening it "**Cheonshim Won**" (天心苑, **Garden of Heaven's Heart**). Establishing Cheonshim Won as a providential organization, she designated it as a place to nurture second- and third-generation spiritual leaders for Cheon Il Guk.

I have brought the third generation forward to establish the tradition of the providence. While I am on earth, I will create all environments to be free-flowing, like running water. I will plan and develop Cheonshim Won as a place to cultivate talented individuals as pure water who can communicate with the pure and clean heart of Heaven.

Cheonshim Won is the worldwide headquarters for jeongseong (devotions). It is the main sanctuary for jeongseong in Cheon Il Guk, the main headquarters for the spiritual providence, and the center for developing the spirituality of Cheon Il Guk leaders and blessed families. **Cheonshim Won is a place where blessed families can resonate with the heart of Heaven.**

When we are on the same frequency as Heavenly Parent and True Parents' hearts, we experience resonance with them. **When we achieve resonance in unity with Heavenly Parent and True Parents, we can hear their voices.** Therefore, prayer is not a monologue but resonance with Heavenly Parent and True Parents' heart. ...
