

## WCLC World Clergy Prayer Assembly for National Salvation

Ki Hoon Kim  
February 24 to 28, 2026

### The World Clergy Leadership Conference in South Korea

Ministers from the USA, Thailand, Zimbabwe and Japan joined KCLC representatives in a well-planned three-day programme. Also invited were Pastor George Okoro and David Hanna from Europe, representing ECLC.

The group could hear presentations on The Epic History of the Chosen Han People; attend the Prayer Vigil for True Mother outside the detention centre; take a trip to the Imjin River at the DMZ; hold a joint service at the Seongnam Joeun Christian Church; have a private tour and prayer at the Cheon Won Gung and end the three days by attending the Friday Prayer Vigil, where four ministers gave powerful testimonies.

Certainly, one major purpose was to bring ministers already close to True Mother, such as Archbishop Johannes Ndanga, to visit her in person; four ministers could do that.

It was also a powerful bonding experience, beyond denominations, providing a united Christian voice in prayer, supporting True Mother and calling for justice. We received the full generosity and care of Korean hospitality, even in difficult times, and it was a profound experience for all. Here are a couple of comments from participants:

*Dear Dr. Ki Hoon Kim... the Prayer Assembly you convened together with KCLC was indeed a result of deep insights and inspiration from God almighty. No ordinary human thought can bring about such a project on its own. Mother says pray for yourselves and Jesus Christ said the same, but God says he wants both the Holy Mother's prayers and our prayers as a show of our acceptance of the faith shared to us. (Bishop Suraphon, Thailand)*

*What a truly extraordinary and anointed four days it was! I am deeply grateful to you, Dr Kim, and your amazing team for hosting such a spiritually powerful and refreshing meeting. Every detail reflected your generosity and excellence, and the atmosphere was filled with prayer, joy, and the Spirit's presence. Thank you for your sacrifice and wholehearted dedication. I believe a mighty anointing was released, and I eagerly look forward to celebrating the release of True Mother. God richly bless you all. Pastor George Okoro, Bremen, Germany*
