With only about two years left until 2020, blessed families throughout the world are working harder to achieve their Heavenly Tribal Messiah mission. To further support and push ahead these precious efforts, True Mother established the Heavenly Tribal Messiah Academy (HTM Academy). The academy will function as an advance base in completing the holy task of Vision 2020 and national restoration by supporting HTM activities through the development of HTM educational contents and management system.

Based on True Mother's instructions that the HTM Academy is established all throughout the world, Heavenly Korea also inaugurated the HTM Academy in each of its sub-regions under the title, "Inauguration of the Heavenly Tribal Messiah Academy and Seminar to Raise Lecturers" in collaboration with FFWPUI HTM Academy.

Sub-Region 1 held its inauguration on May 30. Next, Sub-Region 3 held its inauguration on May 31. Sub-Region 2 held its inauguration on June 5, Sub-Region 4 on June 7, and Sub-Region 5 on June 8, 2018. A total of 1650 people attended the inaugurations throughout Korea.

Following the inauguration, in-depth education on Heavenly Tribal Messiahship was conducted. Five lectures were given during each seminar and covered topics such as: "Who is a Heavenly Tribal Messiah?" "How to Become a Heavenly Tribal Messiah," "The Life of a Heavenly Tribal Messiah," "Management of a Heavenly Tribe," "and "The Heavenly Tribe & Hoondokhae."
