The Hyojeong Chung Pyung Great Works Commemorating the 6th Anniversary of the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth, and Humankind began at 6:20am on August 26th with opening prayer at the Jeongshim Won prayer hall. Members from all over the world honored the event with great enthusiasm. Vice President Myong-kwan Lee, MC of the opening prayer, said, "This Hyojeong Chung Pyung Great Works Commemoration will have the largest number of people ever in the history of the Great Works. I hope that all participants receive heavenly fortune during this period."

Vice President Lee then announced the main program of the Great Works as follows: "Sun-jin nim's special lectures will be held on the first day. On the second day, after the Ancestor Liberation Ceremony in the morning, we will move to the CheongShim Peace World Center to attend the 2018 Hyojeong Cosmic Blessing Ceremony officiated by True Parents of Heaven, Earth and Humankind." This Ancestor Blessing Ceremony was for the 1st through 322nd generations and for the Unmarried 1st Generation Spirits. He continued, "On the third day: The Dedication Ceremony and victory celebration for the Cheon Bo Won will be held with True Parents." He wished that all the members receive the best grace through the removal of evil spirits that would be held seven times during the three day period.

After the opening holy song and remarks, singing of the Cheon Il Guk anthem, bow and recital of the Family Pledge, the president of the FFWPU for a Heavenly Korea, and Chung Pyung Heaven and Earth Training Center, Rev. Gi-seong Lee read True Parents' words:

"You were able to enter the loins of True Father because you have been one in heart with him. But you were not just to remain as a baby seed within True Father; you also had to be born again through True Mother's womb. For this purpose, I established True Mother through the Holy Wedding I conducted in

1960. Based on this, you had to feel from True Mother the grace and love that you had felt when you were within the body of True Father, and upon receiving that love, you offered love and attendance to her. As much as you loved me, it was through that emotional connection to True Mother and your bond of love with her that your rebirth was finally made possible." (Holy Scripture of Cheon Il Guk: Cheon Seong Gyeong 2-3-2-24)

"It is the same with the heavenly kingdom: unless you inherit the realm of True Parents' heart, you cannot go there." (Holy Scripture of Cheon Il Guk: Cheon Seong Gyeong 2-4-5-1)

"The Unification Church is the place where you can serve and attend the True Parents, the central figures whom history has been seeking and whom this era requires. They are the new beginning point of the future, and by attending them you will inherit the position of true parents. Accordingly, you will become the fruit of history and the center of history. You will be the origin, the ancestors of the future. This can only come about when you establish a relationship with the True Parents and unite your heart with theirs. If you have offered prayers with such a heart, you will not feel ashamed." (Holy Scripture of Cheon Il Guk: Cheon Seong Gyeong 2-4-5-6)

President Gi-seong Lee gave the opening prayer report to True Parents of Heaven, Earth, and Humankind as below.

"True Father, as the victorious True Parent of Heaven and Earth, is the Second Coming of the Messiah. Finally, he came to find the only begotten Daughter of Heavenly Parent and they became the manifestation of the True Parents of mankind through the marriage of the lamb. They completely restored the vertical history through horizontal indemnity. True Father declared that he had fulfilled everything, then he ascended to Heaven. And True Father, who has the authority of Heaven, and True Mother, who has the authority of the earth, have completed the era of the movement of the Living Embodiment of Holy Spirit Works. This being so, I hope that you will be able to make a fresh start, offering more surprising faith through this Great Works.

Please make this time one in which we can resonate with the hyojeong (a filial heart for Heaven) that our elder brothers Hyo-jin nim and Heung-jin nim (in the Jeongshim Won prayer hall) loved their Parents. Please allow the completion of the great works of 500 billion absolute good spirits, including that of Dae-mo nim's family, Chung-mo nim's family, and Dae-hyeong nim's family, and that of the heavenly army of angels. Dear True Parents of Heaven, Earth, and Humankind, you dedicated all your sincere efforts to Heaven in the Jeongshim Won prayer hall. Even though we offered only a little devotion, we hope we can become the ones who can dedicate everything for True Parents. Also, we are eager to become people who have humble hearts. Please help us to receive the grace of the garden that you promised during this period.

Please listen to the prayers of all the members who offered their Hyojeong Offering Papers and wrote down their wishes with a sincere heart. Please forgive the sins of the sinful people. Please clean, comfort and forgive the sorrowful members' tears owing to the works of True Mother, who is the Living Embodiment of the Holy Spirit. And please let us attend True Mother on earth and make a new start in our life of faith with the Holy Spirit and Truth. We are living in the golden age of our life."

After Vice President Myong-kwan Lee led us in song and praise with "Grace of the Holy Garden," he said, "It's time for everyone to gather their sincerity, heart and soul and offer their prayers to Heavenly Parent and True Parents with a loud voice." He then led us in "Danshimga" (The song of devotion) and shouts of "Eog-Mansei" three times, reporting the start of the Great Works to Heavenly Parent and True Parents. All the people who attended the first program of this Great Works, "The Opening Prayer," received great blessings.
