On the third day of the Hyojeong Chung Pyung Great Works Commemorating the 6th Anniversary of the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth, and Humankind, Chung Pyung Heaven and Earth Training Center, Vice President Rev. Myong-kwan Lee delivered the message at the Prayer of Gratitude as below:

"Through the three-day Great Works schedule, it was as if our members were going in and out of a spiritual sauna. Our fallen nature, and all the problems in our spirit, are very hard like concrete. It is also the same in our spiritual bodies. It was such a blessing and surprise to assist our members in the resurrection and regeneration of their bodies and minds during these 3 days."

Reverend Lee offered the closing prayer of gratitude to True Parents as follows. "From now on we'll keep the grace we received from Heavenly Parent deep in our hearts and never let it go. Heavenly Parent, please guide the precious Cheon Il Guk Heavenly members to become filial sons and daughters who have the standards of absolute faith, absolute love and absolute obedience, and the standards of one mind, one body, one mindset and one harmony with Heavenly Parent and True Parents. I sincerely, sincerely offer my prayer. Please help the precious, beloved leaders and members experience overflowing heavenly fortune, heavenly luck and the cooperation from their ancestors who are absolute spirits, and the general mobilization of all good spirits from now and forever. Aju."
