On Nov. 25, 2018, we hold a heavenly tribal messiah blessing ceremony centering on the one of our church leaders, Mr. Heng-Chih Feng and his wife. 35 couples attend the event, including 3 social community leaders.

With the blessing from 200 participants, the new blessed couples were so happy moved deeply for being part of the blessing ceremony. They were very grateful for joining this meaningful program by FFWPU and they said they are willing to support it in the future.
