On the first day of the Great Works (February 9), International President Sun Jin Moon gave a special lecture. She said, "This year is the Year of the Golden Pig, which represent that the year of 2019 has amazing heavenly fortune in the year just ahead of 2020." She prefaced her speech by saying, "My mind has been very heavy because I was not able to be with True Mother to support her during her overseas tours last autumn due to an adverse reaction I had to the yellow fever injection. But True Mother said to me, "Don't worry about it, I can do it myself." After sharing this, International President Sun Jin Moon testified that she felt the shimjeong of the cosmic mother who is carrying the entire load and working hard for the sake of all humanity.
