On 1.2~18 by the heavenly calendar in the 7th year of Cheon Il Guk (Feb. 6~22) the Brazil STF Korea CheonBo 17-day Workshop and Holy Ground Pilgrimage was held with 29 participants. There were many activities, including Hoon Dok Hae, orientation, shimjeong sharing, Korean culture experience session, lectures by Sang-seok Kim (President of FFWPU Heavenly Latin America) and Seong-nam Kim (President of Latin America Branch President), and Holy Ground Pilgrimage. They also realized True Parents' lofty status and the recent providential development by participating in the CheonBo Won Grand Dedication Ceremony, the 6th Anniversary of Foundation Day and Rally to Celebrate the Establishment of the Cheon Il Guk Heavenly Tribal Messiah Federation.

There were holy ground pilgrimage tours; the Paju Wonjeon Worship Ceremony, the former headquarters in Cheongpa-dong, Heukseok-dong, Cheon Jeong Gung and also visited Imjingak, Unification Tower.

Reflecting on all this activities, the Brazil STF members felt True Parents shimjeong substantially and closely connected to True Parents and they established a firm foundation to actualize the dream of "hyojeong".

Ms. L from São Paulo, Brazil shared her testimony, "I felt Heavenly Parent in the HJ Heaven and Earth CheonBo Training Center. It was so valuable and priceless experience. I sincerely have waited for this moment for long time. When I felt True Parents' love, my doubtful mind and sorrow faded away and all the negative minds changed into the absolute love for True Parents."

Ms. X.F. (30000 couples 2nd gen. child) from Brazil shared her testimony after feeling a deep spiritual energy of True Parents, "I felt a lot of fallen nature inside my mind, I asked our Heavenly Parent how I can liberate my fallen nature. When I firstly attended chanyang, I couldn't adapt myself to chanyang, and struggled. One day I felt a deep spiritual energy of True Parents. Then I realized, "the power of the spirit world is so strong." At the same time, I felt our ancestors came here from the spirit world to help us remove the evil spirits."
