On the first day of the Great Works (May 10), International President Sun-jin Moon gave a special lecture. She entered the main hall in the Cheonseong Wanglim Palace with a warm applause by the members who filled up the hall.

President Sun-jin Moon, who was seated on the stage, said, "I hope that in the spring, when winter melts and new life begins, we will be able to clear and heal all the depressing elements of our lives so that we can celebrate a new life during the Great Works." President Sun-jin Moon answered the questions that she already had received from the trainees, "What is the most important goal and the meaning of being a true child." She said, "Let's find answers in our True Parents' teachings" and led the hoondok reading as follows:

"Human beings are created to be the center of harmony of the whole cosmos. If Adam and Eve had attained perfection and united as husband and wife, it would have meant the joining into oneness of the two centers of the dual characteristics of all beings. Had Adam and Eve moved together in harmony and attained oneness, the whole cosmos with its dual characteristics would have danced in harmony. The place where Adam and Eve become perfectly one in heart and body as husband and wife is also the place where God, the subject partner giving love, and human beings, the object partners returning beauty, become united. This is the center of goodness where the purpose of creation is fulfilled. (Exposition Divine Principle: Part I Chapter 1, 2.3.4)"

President Sun-jin Moon explained the principle of creation and stressed that our mission is to become a true child who can exchange joy with God and be true owner of all things by fulfilling the four position of foundation. She then answered the questions of each of the members, saying, "I came to know a lot through Hoon Dok Hae in my daily life and practicing True Parents' teachings, and it is my filial duty for Heaven to become one with True Parents and fulfill my responsibilities for the will of Heavenly Parent."

President Sun-jin Moon and her husband finished the lecture by giving gifts to trainees. There were three cheers of Eog Mansei and more arousing cheers and applause as President Sun-jin Moon and her husband left the stage.
