May 10, 2019

On the first day of the Great Works (May 10, 2019 at 7 pm), the Opening Ceremony was held at the main hall of the Cheongseong Wanglim Palace in magnificent style. President Gi-seong Lee, FFWPU for a Heavenly Korea and the HJ Heaven and Earth CheonBo Training Center, gave a hoondok reading from Cheon Seong Gyeong:

"All people desire to attend True Parents. Although six thousand years ago Adam and Eve should have been blessed in holy marriage and humankind should have become God's descendants, the Fall made people Satan's descendants. Therefore on this earth we must re-establish the True Parents, who are on the side of Heaven and who were lost six thousand years ago. We must be reborn through connecting with True Parents' love. Only then can we become citizens of the kingdom of heaven." (『Holy Scripture of Cheon Il Guk: Cheon Seong Gyeong』 5.2.3:7)

After the hoondok reading, he gave a message on the topic "All People Desire to Attend True Parents" explaining, "If you want to go to heaven, you need to receive a Seal to confirm that you are a filial son or daughter. This is not a Seal that you can place on your own forehead. The only ones who can give you the Seal confirming you as a filial child are True Parents. Therefore, you should keep following True Parents' guidance and move forward in absolute faith."
