At 10 pm on the first day (May 10, 2019) of the Great Works, the Fulfillment of Wishes Prayer was held at the Jeongshim Won prayer hall where True Parents had offered lots of sincere devotion. True Parents of Heaven, Earth and Humankind opened up the fulfillment of Wishes Prayer as a channel for our members to connect with by offering Hyojeong Offering Papers so that we can untangle our spiritual knots and remove the resentful spirits so that we can live a healthy life immersed in True Parents' love. The Special Prayer Room Prayer was also held on the first day in the morning and the third day in the afternoon. We would like to introduce some of their testimonies.
