

Spring Great Works: 8 Chanyang Yeoksa Sessions for Removing Evil Spirits

Gi Seong Lee
May 10, 2019

Special chanyang sessions for the removal of evil spirits were held eight times during the three days of the Great Works, centering on the True Parents of Heaven, Earth and Humankind. Blessed families from all around the world participated and received tremendous grace, experiencing the heavenly works of Hyo-jin nim and Heung-jin nim, splendidly showing their dignity as part of the Cheon Il Guk royal family, along with the heavenly works of Dae Mo Nim and absolute good spirits.
